STATEMENT

Manhattan Christian College is an Affirmative Action, Equal Opportunity Employer. Manhattan Christian College does not discriminate against persons seeking admission or employment on the basis of race, color, national or ethnic origin, age, gender, or physical disability (consistent with Section 702 of Title VII of the 1964 Civil Rights Act and the institution's exemption from sections of Title IX which deal with exemptions for religious convictions). Equal opportunity is afforded to all individuals in regard to college policies, consideration for financial assistance, employment, and campus involvement.

Manhattan Christian College reserves the right to make changes in policy, regulations, and fees, as circumstances dictate, subsequent to publication. The provisions of this catalog are not to be considered an irrevocable contract between the student and the college. The catalog attempts to present information regarding admission policies and procedures, programs, curriculum, graduation requirements, and other academic policies in an accurate and timely fashion. Changes in programs, requirements, regulations, policies or procedures which are adopted through regular administrative procedures during the academic year may supersede provisions of this catalog and will be published through normal institutional channels including updating the online version of the catalog. Students are expected to read and be aware of requirements as printed in the college catalog.

General College Information

Location

Manhattan, Kansas, is a community that provides its 54,000+ residents world-class cultural and educational opportunities and a wholesome life-style not found in larger cities. Kansas State University, a well-respected collegiate institution, is across the street from MCC. Airline and bus connections to all parts of the world, modern medical facilities, and numerous shopping areas are available within walking and short-driving distances. Several large reservoirs are located within a few miles of the city and provide many opportunities for outdoor recreation.

What We Believe

Manhattan Christian College pleads for the unity of all believers on the common ground of commitment and obedience to the lordship of Christ. Believing that creeds of men, however correct, perpetuate sectarianism and create division within the church when made tests of fellowship, we have no creed except faith in Jesus as the Christ, God's Son and humankind's Savior. It is our desire to call all people of all nations to faith and obedience to Him as revealed in scripture. When asked, "What do you believe?", it is tempting to hand one the Bible and suggest, "This is what we believe." However, for those not familiar with Manhattan Christian College, it may be helpful to identify foundational doctrines taught in our classes based on our understanding of the Scriptures.

- 1. We believe that there is one God, creator of the universe, eternally existing in three persons, Father, Son, and Holy Spirit, and that we are called to live to the praise of His glory.
- 2. We believe the Bible to be the inspired, the only infallible, authoritative word of God.
- 3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious death and atonement through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal and visible return in power and glory.
- 4. We believe the only terms of salvation that we may proclaim are those expressed in the New Testament: faith, repentance, confession of faith in Jesus Christ, and baptism by immersion in water for the remission of past sins and for the promised presence of the Holy Spirit.
- 5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life, and by whom the church is empowered to carry out Christ's Great Commission.
- 6. We believe in the bodily resurrection of both the saved and the lost; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

Our Calling

To live to the praise of His glory.

Our Mission

To educate, equip, and enrich Christian leaders.

Our Vision

Every student and graduate will be prepared and motivated to penetrate the world with the gospel of Christ regardless of chosen profession.

Our Core Values

Manhattan Christian College is a private institution of higher education, committed to the Christian mission of winning the world to Christ. With the conviction that every member of the body of Christ is a minister, the college seeks to foster in all students a world-wide vision of the mission of the church: preparing them to be servant leaders as Christ modeled and challenged us all to become, providing opportunities for spiritual growth toward Christian maturity, and promoting the Restoration Movement ideal of becoming Christ's church as revealed in the New Testament. Thus, our institutional core values are:

Lordship of Christ

All believers should live a life devoted to Jesus Christ, God's Son and our Lord and Savior that reflects Christ-like character and conduct.

Excellence

As servants of Jesus Christ we must strive for excellence in ministry and life.

Applying God's Word

The inspired Word of God should be normative for faith and practice with effective exeges is used to rightly apply God's Word to our daily lives.

Discipleship

In fulfillment of the Great Commission, all believers, regardless of chosen profession, are included in God's plan to make disciples of all nations.

Evangelism

Christians are commanded to penetrate the world with the Gospel of Jesus Christ and call all to a saving relationship with Him.

Relationships

A Christian must have a high value placed on personal relationships built on God's love, truth, and grace.

Stewardship

All believers are purely stewards of the time, talent, and treasure given to them by God.

Heart for Learning

A heart for learning and personal growth is important to sustain a lifetime of service and commitment for Christ.

Integrity

Christian leaders should live lives of integrity in public and private.

Prayer

Practicing a life of prayer and worship is vital to live a life of service to Christ.

Our Institutional Objectives

Every Manhattan Christian College graduate will:

- 1. Understand and apply Scripture responsibly.
- 2. Think critically with the ability to evaluate, problem-solve, and plan.
- 3. Communicate effectively.
- 4. Develop a cultural awareness that promotes influence from a biblical worldview in different cultures.
- 5. Recognize personal leadership skills and abilities.
- 6. Demonstrate Christ-like character and conduct in all aspects of life.
- 7. Develop skills and attitudes necessary for lifelong learning.

Our Philosophy of Education

We believe in the role that the Christian college can accomplish within students preparing to serve the Lord. The guiding perspective behind the Manhattan Christian College educational practice is the belief that God has created, redeems, and is recreating all things. We believe that college education can facilitate transformational change for

students and subsequently for those whom students influence in the present and the future. That transformational change is comprised of theological, ethical, social, and professional education regardless of a student's chosen profession.

Since we believe that education occurs both within the classroom and outside of it, we are committed to an educational approach that acknowledges formal and informal learning environments.

Our commitment to this transformational change at Manhattan Christian College is founded on four components:

Learning Environment - We are all students and teachers engaged in lifelong learning and a spirit of inquiry characterized by self-awareness, dialogue, and relational connectedness. The learning environment is characterized by mutual trust, mutual respect, mutual helpfulness, freedom of expression, and acceptance of difference. The learning environment is collaborative and co-creative. Faculty and students co-create the space within which material is presented, discussed, and applied. A goal is to create a supportive space within which communication and learning may occur.

Active Learning - The student's active involvement in the learning process is essential to good practice. Faculty serve not only as teachers but also as facilitators of learning. They manage the learning process by engaging students in a variety of activities leading to an understanding of course content along with development of academic and professional competence.

Collaboration - Students benefit from opportunities to network, learn from others, and share resources and ideas. The learning community provides a space for collaboration and connection.

Emphasis on Application and Relevance - The best learning occurs when bridges are built between new knowledge and the learner's experience. Education is not complete until acquisition of knowledge matures into relevant application.

Programs

Established in 1927 as a part of the Bible college movement, Manhattan Christian College offers undergraduate degree programs with a curriculum centered on the Bible as the Word of God. General education develops an understanding of self and others, communication skills, critical and creative thinking, and cultural awareness thereby establishing an integrated Christian world view. The majority of the college's specialized majors prepare people for professional, church-related leadership, and service. In cooperation with Kansas State University and Manhattan Area Technical College, our degree programs enable people to utilize other careers to meet the needs of people around the world. Programs are also organized to provide continuing education for church leaders and appropriate services and resources for churches and Christian groups.

Accreditation and Academic Standing

North Central Association of Colleges and Schools (HLC-NCA)

Manhattan Christian College is accredited by The Higher Learning Commission, a regional accreditation agency recognized by the U.S. Department of Education. Initial accreditation was received in 2000 and was reaffirmed in 2013.

The Higher Learning Commission 230 South LaSalle Street, Suite 7-500 Chicago, IL 60604-1413 800.621.7440 / 312.263.0456 www.hlcommision.org

Association for Biblical Higher Education (ABHE)

Manhattan Christian College was initially accredited in 1948 and was reaffirmed for accreditation in 2017 for 10 years. ABHE is a national undergraduate institutional accrediting agency recognized by the Council for Higher Education Accreditation (CHEA). ABHE is listed by the United States Department of Education as the recognized accrediting agency for undergraduate Bible college education. Further ABHE is recognized by the Department of Justice, Veterans Administration, and other relevant federal agencies.

Association for Biblical Higher Education 5850 TG Lee Blvd., Suite 130 Orlando, FL 32822 407.207.0808 www.abhe.org

Students who have a complaint against the college may contact in writing or call HLC or ABHE.

Transfer Credit Practices of Designated Educational Institutions, published by the American Association of Collegiate Registrars and Admissions Officers, indicates a general acceptance of MCC credits, for the transfer of courses that are substantially equivalent. Manhattan Christian College is empowered by the State of Kansas to "confer such scholastic degrees or certificates of graduation as are usually conferred by Institutions of Higher Learning."

The Kansas Veterans Commission has approved the college for the training of veterans under Public Law 550, 82nd Congress. The college is authorized under federal law to enroll non-immigrant alien students.

Students at Manhattan Christian College are eligible for PELL Grants, Supplemental Educational Opportunity Grant, Direct Subsidized and Unsubsidized Loans, and the Federal Workstudy Program under the U.S. Department of Education.

Admissions Information

The mission of Manhattan Christian College is to educate, equip, and enrich Christians to be leaders, therefore admission to Manhattan Christian College is qualified by academics, leadership references, and religious orientation. No qualified student will be denied admission to the college based on race, sex, national origin, personal disability or age.

Admission Requirements

Early application for admission is advantageous both to the student and to the college. Students who intend to enroll in Manhattan Christian College should take the following steps to ensure prompt action on their applications.

- 1. Submit a completed application form. Applications can be completed on the college website.
- 2. Request official transcript(s) be sent to MCC as specified:

New Freshmen, high school graduates with no earned college credits since the summer after high school graduation, must have your high school send the college an official transcript showing at least six semesters' work, and a final transcript for proof of graduation.

General Education Development (GED) Recipients must have the state GED office send the college an official transcript showing scores for completion of the GED exam.

Transfer Students, including those students applying to the traditional or non-traditional programs must have all official high school and college transcript(s) sent to MCC. The official transcript should indicate the status of the student with the college most recently attended. Transcripts "issued to student" are not official.

- 3. Distribute the two personal reference forms and ask for them to be returned to the Admissions office. These references can be completed online or by using the printable versions of the forms found on the college's website.
- 4. Include the non-refundable application fee.

After the admissions process is completed, the Admissions Committee will evaluate the application and promptly notify the applicant of the action taken. Other application requirements include:

New Freshmen should take the ACT or SAT test and have the results sent to the college. Manhattan Christian College's ACT code is 1436 and SAT code is 6392. Students who do not have a high school cumulative GPA of 2.0 or a minimum of 18 ACT (840 SAT) score may be admitted to MCC on a probationary basis. See "Special Student Status" below. If the student has not taken the ACT or SAT prior to enrolling at MCC, the following may apply: (1) The student will take the exam during the first semester of attendance; (2) The student may be accepted on a provisional basis until the exam has been taken and the results received by the college. Students admitted on a provisional basis cannot receive federal financial aid; (3) If the student fails to take the ACT or SAT, the student may not be allowed to enroll the following semester.

General Education Development (GED) Recipients who are under 25 years of age should take the ACT or SAT test and have the results sent to the college. Manhattan Christian College's ACT code is 1436 and SAT code is 6392. Students who do not have a minimum of 18 ACT (840 SAT) score may be admitted to MCC on a probationary basis. See "Special Student Status" below.

Transfer Students who have been academically dismissed or are on probation from another institution or have less than a 2.0 cumulative GPA may be admitted on academic probation at MCC for the first semester of enrollment. See "Special Student Status" below. Degree completion students (Non-Traditional Campus) must have completed 40 or more transferable semester credits from accredited colleges, post-secondary institutions, or military service. Degree completion students may be granted provisional admittance. Those applicants not meeting admission requirements will be informed of any deficiency in course work or other requirements, and a program to fulfill these requirements will be developed and mutually agreed upon. Failure to complete the admissions requirements by the end of the first semester of study may cause the student to be administratively dropped from the program with no financial reimbursement. All official documents must be received by the admissions office before a student can be fully admitted. Federal financial aid is awarded only to "fully admitted" students.

Admission of Part-Time Non-Degree Students

An abbreviated admissions process is available to a person who enrolls in 6 or fewer credits hours per semester as a non-degree seeking student. The part-time non-degree student should take the following steps for admission:

- 1. Submit a completed application form. Applications are available by contacting the Admissions office or can be completed online from the Future Students section of the college website.
- 2. Include the non-refundable application fee.
- 3. Part-time F-1 students must provide proof of English language competency through TOEFL scores, passing grades in an approved English language program (ELP), or passing grades in freshmen-level composition course(s).

If the part-time non-degree student desires to seek a degree, or enrolls in more than 6 credit hours, the student must complete the regular admission requirements as stated above. After the admissions process is completed, the Admissions Committee will evaluate the application and promptly notify the applicant of the action taken.

Admission of International Students

All of the following items must be received before any action can be taken on your admission. An I-20 form will not be issued until all items are received and you have been officially admitted to the college by the admissions department.

- 1. International Student Application. Be sure the application is signed and indicate an intended program of study. This is required to receive an I-20.
- 2. Application Fee. Include the non-refundable application fee of \$25 (U.S. dollars).
- 3. Application Letter. Write (do not type) a brief letter to accompany the application. This letter should state the reason for desiring to attend MCC, vocational aim, and personal relationship with Jesus Christ.
- 4. References. Two (2) references from individuals, other than relatives, need to be completed via MCC's website. The preference is that one reference be completed by a church leader and one from a school teacher, if possible. Other options can be a coach, mentor, friend, or co-worker.
- 5. Transcript(s). Provide final, official translated copies of your entire secondary and post-secondary school records. If you have attended any college or university in the United States, final transcripts from these colleges must also be requested by you and be sent from the Registrar's Office directly to: Manhattan

Christian College, c/o Admissions, 1415 Anderson Ave., Manhattan, KS 66502.

Transfer credit may be awarded for university level studies completed abroad, based on official records and transcripts submitted with your application. This credit is evaluated on an individual basis. Course syllabi, course descriptions, and test results may be required to facilitate the evaluation. You should bring these documents with you. Evaluation may be delayed until after you enroll. Final determination of the amount of academic credit will not be made until after you are admitted to the college.

Applicants must arrange for final, official certified transcripts of previous academic work to be sent to the MCC Admissions Office. Certified transcripts are reports of individual courses taken and indicate the grades obtained for each course. Transcripts must have a raised seal or a stamp on the copy of the transcript from, for example, the Director, Registrar, Headmaster, or Headmistress of the school. Proof of graduation from secondary school/high school is also required. These transcripts must be in English or accompanied by an English translation.

Applicants from Commonwealth countries must submit certified or notarized copies of their "O" level and/or "A" level certificates (copies of unofficial result slips are not acceptable). Applicants from countries having different educational systems should submit results from their countries' respective secondary school graduation examinations and/or university placement examinations (for example, CXC exam results, Abitur results, baccalaureate results, etc.).

- 6. English Requirements. All applicants must submit English proficiency test scores to be considered for admission. English proficiency test scores must be less than two years old. English requirements for enrollment in academic coursework are:
 - 79 or above on the TOEFL iBT (with no subscore lower than 18)
 - 60 or above on the TOEFL paper-delivered test (with no subscore lower than 18)
 - 6.5 or above on the IELTS (with no subscore lower than 6.0)
 - ACT 21 or above on English
 - SAT 460 or above on Evidence-based Reading and Writing
 - Transfer students from U.S. Institution completion of Written Composition I and II (or an equivalent) with grades of "C" or higher.

Exceptions:

Students do not have to submit English proficiency scores if:

- You have taken 4 years of college preparatory English and graduated from high school with a 2.5 GPA in one of the following places:
 - United States of America
 - United Kingdom
 - Ireland
 - Australia
 - New Zealand
 - An English-speaking province of Canada
 - An English-speaking Caribbean country
 - Any US-accredited school located abroad

OR

• You are a citizen of the USA, UK, Ireland, Australia, New Zealand, an English-speaking province of Canada, or an English-speaking Caribbean country

OR

• You have earned a "B" or better grade in Written Composition I and II (or an equivalent) AND earned 24 or more credit-bearing hours toward a degree at an accredited US institution or at an institution within one of the countries listed above.

OR

• Earned an associate's degree from a US-accredited post-secondary college with a 2.5 GPA

Students who demonstrate difficulty with written or spoken English may be required to participate in an English Language program to strengthen necessary skills. The purpose of this is to ensure adequate proficiency to learn in an English-speaking classroom.

7. Affidavit of Financial Sponsorship. The affidavit must be dated within one year of applicants anticipated entry into the college. For current costs and sponsorship requirements, please review the affidavit on MCC's website. Unfortunately, MCC does not have financial assistance funds available for international students. MCC does not accept certificates of balance as a substitute for the signed bank portion of the affidavit. If your bank is unable or unwilling to sign the form, the bank must submit a letter to the Admissions Office stating its policy.

Required Financial Documentation

In order to receive a Form I-20, you need to submit the following documentation:

- Completed MCC Affidavit of Financial Sponsorship
- Documents demonstrating that you have at least the minimum estimated yearly expenses needed to study at Manhattan Christian College from all sponsors.

Please note that the U.S. Embassy in your country may have very specific financial documentation requirements. Contact the U.S. Embassy for more information, or consult the U.S. Department of State web site at http://www.state.gov.

Additional Notes Regarding Financial Documentation

- Private sponsors should state in their letter that they will have sufficient funds after paying their own personal expenses to be able to afford sponsoring the student in the stated amount.
- Organizational/institutional sponsors should write on business letterhead the nature and time period of support for your studies. Proof of the organization's finances/ability to provide this support may be required if not initially included.
- Copies, clear faxes, and scanned documents sent as e-mail attachments are satisfactory. Unclear copies, faxes, and scans will not be accepted. Send faxes to 785-539-0832 and emails to: admit@mccks.edu. Documents should be submitted in time to allow for required analysis and review and to ensure that the college can provide the student with necessary information and immigration documentation (I-20) to meet the semester starting dates and provide adequate time for students to complete the necessary travel arrangements. Application deadlines change each semester, please see MCC's website or contact the college for more information.

Health Insurance

Manhattan Christian College requires all international students to have health insurance. Health care in the United States is extremely expensive and recommends that any dependents also be covered by health insurance. If a sponsor or agency does not supply insurance, you can purchase it upon arrival.

Readmission Process

Any student who has had a lapse in attendance of at least one semester will be classified as a readmitted student. After the lapse in attendance, students will need to reapply and be readmitted before taking further courses at the college. There is no readmission application fee. Students desiring to be readmitted should complete the following:

- 1. Submit a completed "Returning Student Application" form.
- 2. Distribute the two personal reference forms and have them returned to the Admissions Office.
- 3. Submit all college transcripts from college(s) attended after leaving MCC.
- 4. Student must have no financial indebtedness with MCC and/or other colleges attended.
- 5. Students who have been dismissed for academic or disciplinary reasons must contact the Admissions Office for current readmittance procedures.

The Admissions office has the responsibility or right to deny admission to a student for just cause. After the admissions process is completed, the Admissions Committee will evaluate the application and promptly notify the applicant of the action taken.

Special Student Status

Any student who does not have at least a 2.0 cumulative GPA or does not have a composite score of 18 or above on the ACT (840 on the SAT) (combined math + verbal scores) may be admitted on a probationary basis as a "special student." This status has the following implications:

- 1. The student may be limited to 12 hours during the first semester.
- 2. After the fifth week of the first semester, the student will meet with his or her advisor to evaluate the student's class work. If satisfactory work is not evident, the advisor may recommend a reduction in course load.
- 3. The student will be permitted to participate in no more than one extracurricular activity: music ensemble, varsity athletic team, or student government position.
- 4. The student must enroll in ORN 010 Study Seminar until a 2.0 grade-point average is attained.
- 5. The student must maintain at least a 2.0 grade-point average for the first semester to achieve regular student status. If the student does not achieve a 2.0 GPA, they will be dismissed.

Fraudulent Applications

Individuals who withhold or provide fraudulent information on the application for admission or readmission are subject to immediate dismissal from the college. The decision for immediate dismissal from the college will be made by the Administrative Council. This decision will be made after a complete and thorough review of the situation and in an individual conference with the student involved. The individual dismissed has the right to appeal the decision to the Admissions Committee, whose decision will be final.

Financial Information

The Student Financial Services Department (SFS) serves as the contact for any student specific question related to charges, payments, financial aid, or billing. For general information regarding costs and payment options, contact Financial and Administrative Services (FAS), 1415 Anderson Avenue, Manhattan Kansas. The phone number is 785-539-3571. Fax submittals may be sent through 785-539-0832.

MCC abides by the Gramm-Leach-Bliley Act (GLBA) concerning the security, confidentiality and integrity of our customer's financial information. A customer's financial information will not be given to any person or third party vendor without the customer's written consent or legal notification. By completing all the steps of enrollment at MCC, a student is consenting to the release of information for the legal requirements of the institution's mandated audits for such purposes as federal Title IV funds, Veteran's Affairs programs, and accreditation purposes. For more information please see our Consumer Information link located on the MCC website.

Charges — Traditional Program

Tuition. Tuition is charged at a flat rate for 12 through 18 hours per semester. If enrolled in less than 12 hours, tuition is charged at a per credit hour rate. Credit hours above 18 are also charged at a per credit hour rate. Students not seeking a degree at MCC who would like to take courses for credit may take up to six hours of coursework each semester at a reduced rate. There is a lifetime maximum of 18 hours that may be taken at this reduced non-degree rate.

Mandatory Fees. Degree seeking students are charged a Student Council Fee each semester. This fee underwrites student sponsored programming. A yearbook fee is assessed annually during the first semester of the academic year in which a student is enrolled. A technology fee of \$10 per credit hour, is also assessed each semester.

Course Fees. Some courses require an additional fee. See the line schedule for specific information.

Logos Bible Software. All new students will be charged a one-time, non-refundable charge of \$325 for this software that will be utilized in courses throughout their time at MCC.

Graduation Petition Fee. Before a graduation petition will be processed a \$50 fee must be paid. This fee helps to underwrite the cost of the professional printing of diplomas and diploma covers.

Parking Fees. Permits are required if parking on the MCC campus. On campus parking is limited and permits are sold on a first come, first served basis. Permits may be purchased on line through the MCC website.

Housing and Dining. Meal plans are required for all students living in MCC residence halls. Students may choose between a 10 and 15 meal plan at pre-enrollment each semester. At closing of the official registration date for each semester, meal options may not be changed.

Late Enrollment/Deferred Payment Fees. A late enrollment fee is assessed when students have not completed all steps of the enrollment process by the end of the first day of class each semester. All enrollment steps are considered complete when a student has enrolled in classes and made payment arrangements for the balance of the semester charges. A late payment fee may be assessed if an arranged payment is delayed or not able to be

processed. The student's academic advisor is available to assist with course enrollment. The Student Financial Services department is available to assist with payment arrangements.

Kansas State University. Students with dual enrollment at KSU and MCC will have student bills at both institutions and should expect to pay both institutions directly. MCC students may obtain a waiver, which holds the KSU late fee from being charged to their KSU account through one billing cycle, by contacting SFS with a copy of their KSU class enrollment. The request must be made no later than 10 days prior to classes beginning for the semester.

Charges — Non-Traditional Degree Completion Program

Tuition. Tuition is calculated according to the number of credit hours in which a student enrolls.

Mandatory Fees. A technology fee of \$10 per credit hour is assessed each semester.

Graduation Petition Fee. Before a graduation petition will be processed a \$50 fee must be paid. This fee helps to underwrite the cost of the professional printing of diplomas and diploma covers.

Course Fees. Some courses require an additional fee. See the line schedule for specific information.

Logos Bible Software. All new students will be charged a one-time, non-refundable charge of \$325 for this software that will be utilized in courses throughout their time at MCC.

Charges – College Consortium Classes

MCC offers students the ability to take distance classes through a consortium of colleges for credit pertaining to their MCC degree. These classes are available for students seeking a degree from either our Traditional or Non-Traditional campuses. These charges are separate and will not be considered within the traditional 12 to 18 credit hour flat rate. There is a limit of 9 credit hours allowed through this consortium.

Tuition. Tuition is calculated according to the number of credit hours in which a student enrolls.

Mandatory Fees. A technology fee of \$10 per credit hour is assessed each semester.

Course Fees. Some courses require an additional fee. See the course description and/or line schedule for specific information.

Charges — Miscellaneous

Late Fee/Returned Checks/Denied electronic payments. A charge of \$35 will be assessed to a late educational payment plan if payment is not received within 24 hours of payment date. A charge equal to the amount of the bank's NSF charge plus \$35 will be assessed for each transaction returned due to insufficient funds. Students with multiple returned checks or denied electronic payments may be required to make cash payments.

Collection Costs. Accounts with outstanding balances 60 days after the student is no longer enrolled may be assigned to a collection agency. A 15% charge will be added to the balance to cover charges associated with the collection of the overdue account and are the responsibility of the student.

Terms of Payment

Full payment of a student account is due by the end of the first day of classes per semester. MCC accepts payment in the form of cash, check, money order, or credit/debit card. Online credit card payments may be made via the college's website. From the home page, look for the word "Campus Life" near the top of the page. Find the phrase "One Time Payment" under "Paying for College" in the drop down menu. Clicking on the phrase "One Time Payment" will forward you to a secure website where you may enter your payment information.

In lieu of full payment, enrollment in MCC's Education Payment Plan is acceptable. Enrollment in the payment plan is completed online via the college's website. From the home page, look for the phrase "Campus Life" near the top of the page. Find the phrase "Payment Plan" under "Paying for College" in the drop down menu. Clicking on the phrase "Payment Plan" will forward you to a secure website where you may set up your payment information. The cost of the plan (\$65) will be collected at the time of enrolling in the plan. A new payment plan is required every semester, which involves a new enrollment each semester.

Documentation showing that aid from outside sources, such as the Department of Education's Title IV programs or benefits through Veteran's Affairs, will cover the full cost of attendance is considered to be payment in full. For information regarding Title IV or Veteran's benefits, students are encouraged to visit with SFS.

Continuation of course work, including enrollment for future semesters, availability of official transcripts, and graduation are contingent upon full and timely payment of all monies due MCC.

The amount due on a student account may fluctuate throughout the course of a semester due to course additions or withdrawals, outside scholarships, and other student initiated adjustments. A student may always view a current account balance using the Empower link from the College's web site.

Refund Policy

Various ongoing expenses such as employee salaries and the purchase of materials and equipment are incurred each year in response to a student's decision to attend Manhattan Christian College. Mandatory fees are non-refundable.

Traditional Program. Refunds of tuition and housing/dining charges are made based upon the following schedule in case of withdrawal from a specific course or from the institution:

On or before the first day of class: 100% 1-10% of the semester completed: 90%

11-25% of the semester completed: 75% 26-50% of the semester completed: 50% 51-60% of the semester completed: 25%

Note that due to the nature of block tuition, there will be no refund calculated if the student remains enrolled in 12-18 credit hours.

Refunds are not available after the first day of classes for short term programs, including but not limited to intersessions and directed studies. Books and other fees are non-refundable.

Non-Traditional/Distance Education: The typical Distance Education course duration is 8 weeks with each week is defined as Monday through Sunday. The course refund policy is:

On or before the first day of class: 100% First week of the course (days 2-7): 75% Second week of the course (days 8-14): 40% 15th day and beyond: 0%

Refund checks will not be issued if the refund is less than \$1.00 when the credit was a result of Title IV funds. Refund checks will not be issued for credit balances \$5.00 or less if the credit is a result of any other funds.

Any withdrawal from a course or from the institution may have an impact on a student's federal aid or institutional scholarships. Students should always communicate with SFS before initiating withdrawal paperwork. Students must request and complete the necessary paperwork to withdraw from a course prior to 5:00 p.m. central time of the deadline.

Return of Federal Financial Aid (Title IV) Funds

Students receiving federal financial aid (excluding Federal Work Study funds) who withdraw from the institution during the first 60% of a semester are subject to the federal "Return of Title IV Funds" calculations. Federal aid is earned on a percentage basis corresponding with the length of time students are enrolled in a semester. Students are considered to have earned 100% of their aid after completing 60% of the semester. Student accounts are credited with 100% of a semester's aid after enrolling in at least six hours of degree seeking course work. (For non-traditional programs, 100% of aid is credited upon verification of attendance in at least six hours of degree seeking course work.) Upon withdrawal, aid must be recalculated and any unearned aid repaid to federal programs in the following order:

Federal Direct Unsubsidized Loans
Federal Direct Subsidized Loans
Federal Direct Plus Loans
Federal PELL Grant
Federal SEOG Grant
Other federal, state, private, or MCC assistance programs

PELL grants may also be adjusted when courses are dropped within a semester, resulting in a balance due to MCC.

The refund of tuition is calculated by the MCC refund policy and is a process separate from the federal "return of funds" calculation. It is possible that a student could owe money to MCC and/or the federal government once both processes are applied. Because of the personal financial obligation incurred by withdrawing from the

institution, students are strongly advised to visit with Student Financial Services before initiating the withdrawal process. The date used to calculate a refund and any required return of funds will be the student's withdrawal date as described under Withdrawal Procedures in the Academic Information section of the MCC catalog. In the event of unofficial withdrawal, the date used will be the later of the midpoint of the semester or the student's last documented date of attendance.

Return of Unearned TA Funds

MCC will return directly to the military service branch any unearned TA funds. Any instance when a Service member stops attending due to military service obligation, MCC will work with the affected Service member to identify solutions that will not result in a student debt for the returned portion. The specifics of the refund policy are located on page 14 of MCC's Consumer Information.

Financial Assistance Programs

Assistance in paying for College is available in a variety of forms. Speak with SFS for more information.

MCC Scholarships

Offered to students who have applied, been admitted, and are seeking a degree from Manhattan Christian College. The student's application for admission and acceptance to the college will initiate the scholarship awarding process. To receive an MCC scholarship, students must be seeking an MCC degree, making satisfactory progress toward an MCC degree, and be enrolled full time. MCC scholarships may be applied only to MCC tuition and MCC housing/dining charges. For additional information regarding MCC Scholarships, refer to the Consumer Information link on the college's website or contact SFS. For a list of endowed scholarships at MCC, visit the college's website.

Other Aid Programs

Kansas Comprehensive Grants. Awards from this source may be up to \$1750 per semester. To be considered for this need based grant, students must indicate Kansas as their state of residency on the Free Application for Federal Student Aid (FAFSA). Students must also file the FAFSA in sufficient time for the federal processor to receive it by April 1 of each year. Other criteria for this award include full time tuition charges at MCC and a minimum cumulative 2.0 grade point average. This award is limited to four years.

Kansas State Scholar. Kansas State Scholars must indicate on the FAFSA that it should be released to the State. A state aid application must also be completed and submitted with the required fee to the Kansas Board of Regents each year by the deadline for new and renewal scholars. High school counselors who work with Kansas State Scholars will be able to furnish instructions for this process to potential State Scholars. Renewal scholars may contact SFS for applications and instructions each year. The award is limited to four years.

Veterans Administration. MCC is State and VA approved for various forms of financial assistance for education. There are several education benefits available under the new Forever GI Bill as well as other VA programs. Veterans and, in certain circumstances, their dependents, can go to https://www.va.gov/education/ to find more information and begin the process of applying for benefits. You may also call 888-GIBILL-1 (888-442-4551).

Military Active Duty. MCC is approved through the Department of Defense to accept TA Benefits. These benefits may be available for Active Duty Military. The application process begins at the Learning Center that supports the student's unit.

Vocational Rehabilitation. State departments of Vocational Rehabilitation provide financial assistance for students seeking college degrees under certain circumstances. Contact SFS for details.

Title IV Programs. Most students are eligible for some type of federal financial aid. Manhattan Christian College participates in the Federal PELL Grant and Supplemental Educational Opportunities Grant (SEOG) Programs, the Federal Work Study Program, and the Federal Direct Loans (Subsidized, Unsubsidized, and Parent Loan) Program. To determine eligibility, students should complete the Free Application for Federal Student Aid (FAFSA).

Policy on Satisfactory Academic Progress. Federal regulations require that federal financial aid recipients achieve Satisfactory Academic Progress (SAP) in order to maintain eligibility to receive Title IV Program funds. Manhattan Christian College (MCC) has established the following guidelines for evaluating a student's efforts to achieve a degree while fulfilling these regulations. This includes a quantitative measure (percentage of credit hours earned each semester) and a qualitative measure (grade points earned for hours completed each semester).

MCC evaluates both of these measures at the end of each semester using the official record located in MCC's student information system (Empower). Official cumulative GPA is calculated through the Registrar's office. Percentage of earned credits is evaluated through the financial aid office.

To be eligible to receive federal Title IV funds, a student must: 1. earn at least 66% of their credit hours attempted, 2. maintain a minimum 2.0 cumulative grade point average and 3. complete the degree within a maximum time frame. Courses in which an "F," "Incomplete," "Withdrawn" or "Repeat" is recorded on the student's transcript, these are calculated as credit hours attempted but not earned within the 66% completion minimum requirement.

Students receiving federal aid must complete their degree within a maximum time frame—150% of the normal time required to complete the degree. This allows approximately 180 total credit hours attempted for completion of a bachelor's degree. Courses in which an "F," "Incomplete," or "Withdrawn" is recorded, these count as credit hours attempted toward the 150%-time frame maximum. For a traditional student attending full-time in the fall and spring semester each year, the maximum time frame is six school years.

Transfer students, if eligible, shall receive Title IV funds for their first semester at MCC and then follow the same standards for SAP as all other students. Transfer grades are not included in the computation of the cumulative grade point average. However, transfer students have their transfer credits subtracted from the total needed for the degree and the maximum time frame is adjusted accordingly.

Courses in which an "Incomplete" status is recorded will be counted as credit hours attempted (quantitative) until a final grade is recorded. At that time, the final course grade will be calculated into the cumulative grade point average standard (qualitative). Students must meet all standards to continue to maintain eligibility.

Pertinent student academic information for all recipients of Title IV funds is reviewed at the end of each semester. Students who are deficient in hours or cumulative grade points after initial review will be placed on Financial Aid Warning for one semester. At the end of the next semester a student's progress will again be measured, and the student will either be reinstated or placed on Financial Aid Suspension. Students on Financial Aid Suspension are denied financial assistance from any federal program until they can meet the SAP qualifications.

Students subject to Financial Aid Warning or Financial Aid Suspension are notified in writing prior to the beginning of the next term.

Students who are placed on financial aid suspension may appeal the decision. Appeals are made in writing to the Title IV Appeals Committee. This committee is comprised of the Director of Student Financial Services, the Vice President for Academic Affairs, and the Vice President for Student Life.

Students must submit an appeal in writing indicating the grounds for the appeal and reasoning for why the committee should approve the appeal. Some of the possible grounds that the appeal committee may consider are injury or illness, the death of a relative, or other special circumstance that directly hindered the student's ability to maintain SAP. The appeal must explain why the student failed to make satisfactory progress and what has changed in the student's situation that will allow the student to achieve satisfactory progress at the next evaluation. The student must also meet with the Academic Dean or MCC Registrar to develop an academic plan that will achieve the SAP standards. This will be considered in the appeal committee decision.

The Committee is empowered to review all appeals and come to a final determination. If the appeal is approved, the committee may stipulate other special activities not listed in the academic plan, which a student would be required to complete during the coming academic term. The student is responsible for following all the MCC academic policies including but not limited to, attendance of classes as well as the completion of all required coursework. Deviation from the academic plan, such as withdrawal from a required class or non-attendance, will result in financial aid suspension with no further appeals.

If the appeal is rejected by the committee, a student may regain eligibility by completion of one of two options. The first option is the student completes a term or terms at MCC paying the costs without the use of Title IV funds. At the end of each term, the student's progress will be evaluated. Once the student meets the SAP policy requirements, the student's eligibility would be reestablished. The student will be informed in writing of the reinstatement.

The second option is the student leaves MCC, accomplishes a term or terms at another institution with satisfactory grades to be readmitted to MCC and transfers the credits. The student will have to reapply to MCC and meet the criteria for readmittance. The student will be readmitted with a financial aid warning status. The student will be evaluated for SAP at the end of the term. If the student maintains the SAP qualifications, the warning is lifted. If the student does not maintain the standards, the student will once again be placed on suspension for Title IV aid.

The Director of Student Financial Services shall inform appealing students of the action taken by the committee directly as well as in writing. Decisions by the Title IV Appeals Committee are final and not subject to further review.

For additional information on Title IV programs, including an example of Satisfactory Academic Progress calculation, see the Consumer Information section on MCC's web site (http://mccks.edu/about-mcc/who-we-are/consumer-information/) or contact the Student Financial Services department.

Student Life Information

Students at Manhattan Christian College are expected to conduct themselves in a Christ-like manner at all times. Continued enrollment is contingent on conformity to the New Testament delineation of Christian character. Principles of Conduct and information about housing and student life at MCC can be found in the Student Handbook. The handbook can be viewed on the college website.

Academic Information

Mission

The Academic Department exists to educate, equip, and enrich Christians to be leaders through quality academic programs.

Academic Programs Information

Manhattan Christian College offers four- and five-year bachelor's degrees, two-year Associate of Arts degrees, and an adult student degree completion program via Thunder Online (non-traditional program). At the bachelor's level, the student may pursue a Bachelor of Arts degree, which includes a language study, or a Bachelor of Science degree. All MCC bachelor degrees include a Bible/Theology major, general education, leadership, professional studies major, and unrestricted electives.

Dual-degree programs are developed in cooperation between MCC and Kansas State University and Manhattan Area Technical College. A student pursuing a dual-degree is responsible for making application for admission to either KSU or MATC. Admission to MCC does not assure or imply admission to KSU or MATC. The student should review the other institutions' curriculum materials and meet with one of their advisors to obtain the most up-to-date and specific requirements for their degree. An MCC degree program may be changed through appropriate academic channels at any time. In cases where changes have been made while a student is pursuing a degree program at MCC, the following options are available:

- Completing degree requirements for the program undertaken when entering MCC.
- Completing degree requirements for the program as described in the current catalog.
- A student may not mix requirements from two or more catalogs.

Distance Education programs (Non-Traditional Campus) are adult students that are lifelong learners who generally are 22 years or older, and/or have additional responsibilities (e.g. family, career, military, community) and are seeking a degree or other educational offering (credit or non-credit) to enhance their professional and/or personal lives.

Continuation and Graduation Policies Academic Probation/Dismissal Policy

Regardless of degree intent, all students are subject to the probation/dismissal policy.

Probation. Students who do not attain a minimum cumulative 2.0 GPA will be placed on academic probation for the following semester.

A student who is placed on academic probation may be required by the Academic Dean to take a reduced course load. Students on academic probation may also be restricted from participation in extracurricular activities. Students on academic probation must enroll in ORN 010 Study Seminar during each semester of probation status. Students will be removed from probation at the time they earn a cumulative 2.0 GPA.

Students who have a semester GPA below 2.0, but a cumulative GPA of 2.0 or higher, while not considered "on academic probation," are required to enroll in ORN 010 Study Seminar the following semester.

Dismissal. If after being placed on academic probation, a student continues on academic probation at the end of the next semester of attendance, that student will be disqualified and dismissed from MCC unless the GPA for

the most recent semester of enrollment was above the previous cumulative GPA. In that case the student may be placed on continuing probation.

A student who does not attain a cumulative minimum 1.0 GPA in the first semester at MCC will be academically dismissed.

A student admitted or readmitted on academic probation who does not attain the GPA of 2.0 by the end of the semester will be dismissed from MCC.

A student reinstated after an academic dismissal, who does not attain the GPA of 2.0 by the end of the semester will be dismissed from MCC.

A student who is academically dismissed will not be allowed to attend MCC for a minimum of one semester. If a student who has been academically dismissed is seeking readmission, he or she must, as part of their readmission process, write an appeal letter to the Vice President of Academic Affairs (VPAA). The letter must explain their reasons for seeking readmission and what he or she will do differently in order to succeed. The letter should be submitted with other readmission documents and given to the VPAA by the admissions team.

If the appeal is successful, the student is then required to meet with the Registrar and their Academic Advisor to discuss steps he or she will take to be academically successful.

Reinstatement. A student who has been reinstated is placed on academic probation for the subsequent semester and must attain a GPA of 2.0 in that semester or will be dismissed again. Petitions to appeal a denial of reinstatement to MCC should be directed to the Student Academic Appeals Board, which consists of each academic department head with one appointed as chair of the appeals board, and a representative from Student Life.

Academic Integrity Policy

A student is expected to demonstrate the highest Christian character in academic integrity. The student is expected to do personal work and to acknowledge the source of another person's words, ideas, statistics, or other materials.

Definition of Academic Dishonesty. Academic dishonesty includes cheating, plagiarism, falsification of credentials, and any other means of taking credit for academic productivity that is not one's own. Plagiarism is offering the work of another, published or unpublished, as if it were your own.

Consequences of Academic Dishonesty. When a student practices academic dishonesty, the professor has the option of any or all of following sanctions: (a) requiring the test or assignment be redone for full or partial credit; (b) giving a failing grade for the test or assignment; or, (c) giving a failing grade for the course. Severe or repeated academic dishonesty by a student may become a matter of disciplinary action leading to dismissal. A written report form is completed by the professor and becomes part of the student's permanent record. A student may appeal the professor's judgment of academic dishonesty and the assessed penalty to the Vice President for Academic Affairs.

Process for Reporting Academic Violations

1. The faculty member informs the student of the allegation while taking into account the confidential nature of the information and the goal of maintaining an environment that supports teaching and learning.

- 2. When evidence suggests that academic dishonesty has occurred, the faculty member will enter the charge and the academic sanction on the college's Academic Integrity Form, will sign the form, and then convey the charge and sanction to the student for his or her signature (in person or through other methods if necessary). Any appropriate documentation will be attached to the form.
- 3. After reviewing the allegation of academic dishonesty with the student, the faculty member may provide the student with an additional period of time (not to exceed 2 weeks) before the student has to make a decision and sign the Academic Integrity Form as to whether or not to accept the academic sanction(s). A student's failure to sign the Academic Integrity Form, by the specified deadline, consistent with college procedures, will be construed as not contesting the charge or sanction(s) and the adjudication process will go forward as defined by college procedures.
- 4. Once a student has been informed that academic dishonesty is suspected, the student may not drop the course during the adjudication process. The VP for Academic Affairs is responsible for notifying the Registrar's Office when academic dishonesty is reported in a course. Any drop or withdrawal from the course during this time will be reversed. A student who has received an academic sanction as a result of a violation of academic integrity may not drop or withdraw from the course at any time. This drop policy may be superseded in exceptional circumstances (i.e. trauma drop). In these cases, the VP for Student Life will consult with the VP for Academic Affairs to determine if the drop is warranted.
- 5. Upon an appeal, the final decision on a sanction(s) may differ from the sanction recommended by the faculty member regardless of whether or not the student accepts responsibility for the violation. For this reason, a student who has been notified of an alleged academic integrity violation should continue to attend classes and meet course requirements during the adjudication process. If the student chooses not to attend class or fulfill course expectations while the College completes its review of the academic integrity case, he or she agrees implicitly with the sanctions recommended by the faculty member and will receive their grade as appropriate. The VP for Academic Affairs will communicate in writing to the student the imposed sanction(s) upon conclusion of the review.

Appeal Process Guidelines. The following guidelines will be adhered to during all disciplinary decision-making processes:

- Due process will be granted to a student before MCC will impose any sanction upon one who has violated its rules or regulations.
- Students who do not agree to the faculty member's allegations of academic dishonesty may appeal their case with the VP for Academic Affairs by signing the appropriate section of the Academic Integrity Form.
- The student may make a final appeal if the student does not agree with the decision of the VP for Academic Affairs. The VP for Academic Affairs will create an ad hoc faculty committee made up of three uninvolved professors to hear such appeals. The request for this final appeal must be made in writing to the VP for Academic Affairs within ten business days of his decision. The student is responsible to provide to the committee any evidence that supports their position for appeal.
- If the decision-making process involves a faculty hearing, the student will be notified in writing as to the time and place of the hearing. The student has the right to have another person present for any hearing.
- In the case of pending dismissal, the student will receive a written notice of the witnesses to appear, and will have an opportunity to inspect the evidence.
- No person, student or otherwise, will be forced to be a witness.

In all instances of appeal, student will be given a written statement of the findings of facts, the basis for the decision, and the nature of the disciplinary measures.

Character Requirements

Since students at Manhattan Christian College are expected to conduct themselves in a Christ-like manner at all times, continued enrollment is contingent on conformity to the New Testament delineation of Christian character.

As noted in the Student Handbook, the standard of conduct at Manhattan Christian College is positive Christian living. All members of the college community will seek to live according to the principles of life revealed by and in Jesus Christ, as taught in scriptures. The goal is for such a quality of living as will provide the fruit of the Spirit in students' lives. Representative scriptural guidelines are found in Philippians 4:8; I Corinthians 6:12, 10:23,31; Galatians 5:16-25; Colossians 3:17; I Thessalonians 4:1-8; and Philippians 2:1-11. See the Student Handbook for a complete discussion of Christian character expectations. The MCC Student Handbook is online at the MCC website: www.mccks.edu/current-students/.

A student integrity support system has been formed through the partnership of academic affairs and student development to provide accountability and to promote growth in the area of Christian integrity development. Should a student's integrity become such that the privilege of graduating from the college will not be granted, the student may appeal the decision to the President of the college.

Commencement and Awarding of Diplomas

The college encourages all graduates to participate in commencement. MCC has only one commencement ceremony in the spring of each year. Diplomas will be delivered to students when all graduation requirements are met and all financial obligations to the college have been cleared with the office of business affairs.

Commencement Participation Policy

Spring Petitioner. An MCC student petitioning to graduate in a spring semester may participate in the commencement ceremony only if the student will have met all graduation requirements by the end of that semester. A student with a directed field experience pending will not be allowed to participate in the commencement ceremony. The student may participate in a subsequent ceremony upon completion of the directed field experience.

Summer and Fall Petitioner. An MCC student petitioning to graduate in summer or a fall semester may participate in the subsequent spring ceremony after all graduation requirements have been completed.

Graduation Requirements

In order to graduate the student must petition the faculty for graduation by completing and submitting the required form obtainable from the Registrar's Office. Deadlines for petitioning and other graduation related dates will be provided to the student by the Registrar's Office prior to the beginning of each semester. To graduate the student must fulfill all financial obligations to MCC and all courses required for the degree and have on record with the Registrar's Office official transcripts of all postsecondary institutions attended. The student must attain a cumulative GPA of 2.0 and have sufficient Christian Service credits.

Christian Ministry majors are required to earn a minimum final grade of 70% (C-) in each of their Christian Ministry Core courses and in their declared emphasis and/or track courses to graduate.

Latin Graduation Honors

At graduation a student may qualify for various honors awarded during the commencement ceremony. These awards are based on achievement in all course work taken at MCC. Further, only course work taken at MCC is used in determining graduation honors. Each year Latin graduation honors recognize approximately 20% of graduating students. A student must have a minimum cumulative GPA of 3.60 to qualify for Latin graduation honors. The awards are:

Top 3% - Summa cum laude Next 7% - Magna cum laude Next 10% - Cum laude

Residency Requirements

To receive a degree from MCC the student must earn a minimum of 32 credit hours of course work at MCC. These are normally the last hours earned. Usually, these hours include at least 3 hours of leadership, 3 of theology, 6 hours of Bible, and 12 hours of professional studies.

Transcripts and Diplomas

Transcripts and diplomas are issued from the MCC Registrar's Office. Request forms are available through the office or online (www.mccks.edu/academics/) and signatures are required.

Requesting a Transcript

A transcript is a certified, official copy of a student's permanent record. Since it contains confidential information, it cannot be released to anyone other than the student without written permission unless it is mailed directly to another institution from the Office of the Registrar.

Transcripts are ordered online through the National Student Clearinghouse (NSC) using any credit/debit card. Current students will be charged processing fees and former students will be charged \$15.00 per recipient plus processing and delivery fees. The credit/debit card will only be charged after the order has been completed. Students can order as many transcripts in a single session. The NSC will provide email and/or text notifications for every step of the process, including delivery and order tracking.

Standard processing for transcripts is one to three business days, unless expedited service is requested. Additional processing time could result from data mismatches and/or during peak periods, such as end of term or commencement preparation (April and May). Transcript orders will not be processed when the Office of the Registrar is closed. Transcripts will not be issued to students who are financially delinquent to the college. More information can be found on the college's website and the NSC website.

Issuing Diploma

Based on the approval of a student's petition to graduate, the student's original diploma will be delivered when all graduation requirements are met and all financial obligations to the college have been cleared with the Office of Business Affairs.

Upon initial graduation petition, students may request that the standard printed diploma be replaced with a simple 'Bachelor of Arts' or 'Bachelor of Science' without the degree detail information.

Requesting a Reissued Diploma

Graduates who find they need a duplicate or replacement diploma should contact the Registrar's Office for information regarding how to request a reissued diploma. A nominal fee applies.

Withdrawal Procedures

Whenever a student terminates enrollment at MCC, the student should make sure to do so properly. Upon making a decision to withdraw after consultation with the Vice President of Student Life, a student should notify the Registrar's Office of their intent. The student may need to inform other campus offices (i.e. business office, financial aid, housing). If so, the Registrar's Office will direct the student through the remainder of this withdrawal process. If all course work is being terminated before the end of the semester ("dropped"), the student is responsible for officially withdrawing from all courses. At the time a student's enrollment at MCC ends, the student's academic record is closed, with all incomplete grades converting to "F" and statements of personal and/or academic standing being made on the transcript, as appropriate.

Enrollment Information

Advising and Registration

The degree programs are listed in this catalog for the benefit of students and their advisors. The student is advised to study carefully the programs and the graduation requirements. While there are certain core courses common to all the degrees, there are also some significant differences in chosen emphases and/or tracks that the student should have clearly in mind.

Academic advising at MCC is a collaborative relationship in which student and advisor work to develop and meet the student's educational and vocational goals. Academic advising equips the student to think critically, seek out resources, and develop action steps consistent with gifts, talents, and passions. Although the advisor provides guidance, responsibility for making and implementing these decisions rests with the individual student.

After meeting with an advisor each semester, students are provided with a PIN to allow online registration (or pre-enrollment) in Empower. Students may also drop or add courses through the open registration period (typically the first week of class). Student should be aware that self-initiated changes of their schedule may affect successful completion of their academic program and should be done carefully and preferably after meeting with the student's academic advisor.

New students are provided registration packets and a faculty advisor at the time of new student enrollment or registration. Program course sequences allow students to follow progress from one year to the next in an orderly sequence. Non-sequential arrangement of courses can create scheduling conflicts, which may make additional time necessary in order to meet graduation requirements. Every student should check with their faculty advisor on these matters.

After advising, new students will also receive a PIN from their advisor, students may proceed through the online enrollment process in Empower, which includes enrollment in classes, payment of tuition, fees, and other costs. No student may officially be enrolled in classes until the student's admission is completed, and all enrollment forms are approved.

Late Enrollment/Registration Policy

A late enrollment fee is assessed when students have not completed the enrollment process by the end of the first day of class each semester. To complete enrollment, a student must have enrolled in classes and made payment arrangements. The student's academic advisor is available to assist with course enrollment. The student's financial counselor is available to assist with payment arrangements. Students participating in a deferred payment plan will be assessed a deferred payment fee.

Auditing a Course

To audit a class a student must attend at least 80% of the class meetings. The student is not required to take tests

or turn in homework. If the student changes from credit to audit after six weeks, 80% of the remaining classes must be attended. No withdrawal or change from credit to audit is permitted during the last four weeks of the semester.

Class Attendance Policy

Because the classroom experience is a valuable part of the educational process and to promote the development of good habits in the life of a Christian leader, a student is expected to attend class, participate in class discussion, and complete course requirements. Because of the variety of class sizes and objectives, instructors have authority for attendance and any effect that absences might have upon final grades. Instructors will have their attendance policy stated in their course syllabus.

Eight days after the course starts, instructors must notify the Registrar's Office in writing of any students who have not attended their course or contacted the instructor about their intention to participate. Students who do not attend during the first week will be administratively dropped from the course.

Instructors must keep accurate attendance records throughout the course so that the date of last attendance is available. The date of last attendance will be reported by the Registrar's Office to the Financial Aid office on all dropped courses after the open drop/add period.

Earning Credit through Non-Traditional Delivery Methods Credit by Distance Learning

Distance learning courses are delivered via the Internet with our consortium partner, College Consortium.

Traditional Students. Enrollment is obtained through the permission of the student's advisor and the Registrar's Office.

Distance Education Students/Thunder Online (non-traditional). Distance education courses are integral to the non-traditional degree program, but students may not enroll in more than two (2) courses per 8-week term, or 12 hours per semester.

Non-degree Students. Distance education courses are available for any non-degree student who desires to further their learning. Permission to enroll in a distance education course must be obtained through the Registrar's Office. Distance learning courses from other post-secondary institutions for transfer of credit will undergo the same evaluation as any course requested for transfer.

Credit by Examination and Prior Learning

Manhattan Christian College accepts College Level Examination Program (CLEP), Advanced Placement (AP), International Baccalaureate (IB), DANTES Subject Standardized Test (DSST), and other recognized credit-by-examination credits for equivalent general education courses. Credits-by-examination may be transferred to MCC if applicable to the student's specific degree program.

Credit for Prior Learning (CPL) is a method of documenting and validating previous college-level learning. Credit may be awarded based on the evaluation of the learning attained in technical or professional training, non-credit classes or work experience. Students interested in receiving CPL credit should enroll in ORN 020, Introduction to Credit for Prior Learning to explore their credit options. A per-credit-hour fee will be charged for credit granted.

Credit may also be earned for non-collegiate training in the military. Credit will be awarded after receiving

appropriate forms (JST transcript, DD214, DD295) and will be based upon the recommendations set forth by the American Council on Education as indicated in the Guide to the Evaluation of Educational Experiences in the Armed Forces.

MCC will not award credit for national proficiency examinations or credit for prior learning based solely upon the evaluation or transcription of credit by any other university, college, or organization.

A maximum of thirty percent (30%) of a student's chosen degree program can be completed through nonclassroom contact (such as credit-by-examination, credit for prior learning, military experience, et cetera). A tentative evaluation of credits for transfer is usually made as a part of the admissions process. An official transcript of credits is completed after the student has been admitted to a degree program and has begun the first full semester of study at MCC.

The opportunities to demonstrate academic competence are being increased and modified continually, so students should inquire about the current possibilities with the MCC Registrar's Office.

Credit by Transfer

Manhattan Christian College accepts credit for equivalent courses bearing a "C-" (2.0) or higher grades from institutions accredited by regional accrediting commissions or the Association for Biblical Higher Education. Courses that are determined to be comparable in nature, content, level of credit, and relevant to MCC degree programs will be considered for transfer.

Credits from institutions not accredited by associations listed above may be accepted following validation. Validation consists of the following: (a) Only courses bearing a "B" (3.0) or higher grades will be eligible for transfer; (b) A review of syllabi, faculty credentials, grading standards, and other relevant learning resources at the sending institution will be conducted; and, (c) The student must earn a cumulative GPA of 3.0 or higher in the first semester of full-time enrollment at MCC. In some cases, only partial credit may be recognized for work done at colleges operating below conventional college standards.

The amount of credit transferable from other institutions may vary according to the student's selected degree program.

Semester Credit Hour Policy

The traditional academic calendar is based on two semesters, each composed of approximately sixteen weeks of classes and final examinations. Courses are offered on a credit-hour (or semester-hour) basis.

The unit of semester credit is defined as college-level credit that is awarded for completion of coursework, the transfer of coursework from another institution, or the evaluation of college-level prior learning (CPL). One credit hour (at least 50 minutes) reflects an amount of work represented in the intended learning outcomes and verified by evidence of student achievement for these learning outcomes. A credit hour is awarded on the basis of one of three sets of criteria.

- 1. Lecture/In-Class courses: The completion of one credit hour* of classroom or direct faculty instruction and a minimum of two credit hours* of out-of-class student work each week for one semester (15 weeks); or
- 2. For Distance/online or hybrid, and accelerated courses: The completion of an equivalent amount of faculty instruction and student work, as stipulated above in paragraph (1), that may occur over a different amount of time; or
- 3. For Directed Field Experience/Internships/Practicum/Independent Study/Individual Instruction courses: The completion of an institutionally sanctioned academic activity that is equivalent to the amount of work stipulated in paragraph (1), that may occur over a different amount of time.

	Traditional Lecture/In-Class Credit Bearing Course or Online Course (per semester)		Non-Traditional Credit Bearing Experience [i.e. DFE, Internship, Independent Study] (per semester)
Credit Hours Earned	Minimum Amount of Instruction Time Required	Minimum Amount of Time Required Outside of	Amount of Time Required for all
Zamoa	mstruction Time Required	Class/Instruction Time	Activities
1 Credit	12.5 hours	25 hours	37.5 hours
2 Credits	25 hours	50 hours	75 hours
3 Credits	37.5 hours	75 hours	112.5 hours
4 Credits	50 hours	100 hours	150 hours
5 Credits	62.5 hours	125 hours	187.5 hours

For example, in a three credit hour traditional lecture/in-class course, students spend 150 minutes in class per week for 15 weeks, resulting in 37.5 contact hours for the semester. Students are expected to engage in reading and other assignments outsides of class for at least 5 hours per week, which adds up to 75 hours. These two sums should result in total student engagement time of 112.5 hours for the course. In a credited DFE/internship, these hours may be allotted differently. For example, the student may spend 1 hour a week for 15 weeks in meetings with their supervisor, work at their placement 4 hours a week for 15 weeks, and spend at least 37.5 hours during the semester on planning and documentation. The total student engagement time is the same (i.e., at least 112.5 hours). Note that these time allotments are minimums, not maximums.

All credit-bearing experiences require syllabi, which will include the number of credit hours, class meeting times or minimum number of hours required at an alternative site, and a schedule of required assignments. *This rule refers to a 50 min. "Carnegie hour" so the requirement is for 12.5 clock hours (750 min.) of direct instruction or a total of 37.5 clock hours (2,250 min.) of total student work for one semester credit.

Eighteen semester hours are considered the maximum load. Special permission to enroll in additional courses

beyond this maximum must be secured through the student's advisor and the Vice President for Academic Affairs. Additional fees must be paid for course work in excess of eighteen hours.

Drop/Add Policy and Procedures

Each student is responsible for enrollment maintenance. A student who does not follow the stated procedures to add a course will not be enrolled in it. A student who does not follow the stated procedures to drop a course, but instead just "walks away" from a course, will receive a grade of "F" for the course. The policy for dropping courses varies depending upon the length of the course.

Sixteen Week Courses:

Policy for Drop/Add of Sixteen Week Courses:

- 1. Drop during the first 20 days of class: The course will not be recorded on the student's permanent record.
- 2. Drop between the 21st day and the end of the twelfth week of class: A grade of "W" will be recorded on the student's permanent record. The grade of "W" is not calculated into the grade point average.
- 3. After the twelfth week, the course may not be dropped and a grade will be assigned by the instructor and recorded on the student's permanent record.

Procedure for Drop/Add of Sixteen Week Courses:

- 1. During the first week of class students may drop/add online through Empower.
- 2. After the first week of class, consult the Registrar's Office or advisor to get a drop/add form.
- 3. Get a signature of approval from the advisor.
- 4. Get a signature of approval and last day of attendance from the professor.
- 5. Return the signed drop/add form to the Registrar's Office.

Eight Week Courses:

Policy for Drop/Add of Eight Week Courses:

- 1. Drop before second week of the course: The course will not be recorded on the student's permanent record.
- 2. Drop after the beginning of the second week of the course and before the end of the fifth week of the course: A grade of "W" will be recorded on the student's permanent record. The grade of "W" is not used in calculating the grade point average.
- 3. After the beginning of the sixth week: The course may not be dropped and a grade will be assigned by the instructor and recorded on the student's permanent record.

Procedure for Drop/Add of Eight Week Courses:

- 1. Consult with your course instructor.
- 2. Consult with the Registrar's Office or advisor to get a drop/add form. If the student is a part of the Non-Traditional Campus, contact the Director of Non-Traditional Education to have a drop/add form filled out for you.
- 3. Get a signature of approval from the advisor.
- 4. Get a signature of approval and last day of attendance from the professor. Last day of attendance will be the day of last course specific activity (quiz, forum, submitted assignment).
- 5. Return the signed drop/add form to the Registrar's Office.

Student Classification

A student is classified according to total credit hours taken at MCC and the credit hours transferred from other colleges.

Classification	Total Credit Hours
Freshman	0-29 hours
Sophomore	30-59 hours
Junior	60-89 hours
Senior	90+ hours

Supplying Transcripts from Other Institutions

At the end of each semester students at Manhattan Christian College who have taken course work at another institution of higher education should request the institution's Registrar's Office to send to the MCC Registrar a record of credits earned at the institution.

Grading

Change of Grade Policy

A change of grade for any grade other than a grade of incomplete "I" may be made after a final grade has been submitted only when the case involves a grade calculation error by the instructor.

Dean's List and Honor Roll

A full-time student who has a semester GPA of 3.60 or above will be listed on the Dean's List for outstanding achievement. A student with a semester GPA of 3.25-3.59 will be listed on the Honor Roll. The student must complete at least 12 hours of work at MCC in a given semester to qualify for either the Dean's List or the Honor Roll. An incomplete or an unofficial withdrawal from a course enrolled in for credit at the beginning of the semester may disqualify the student from either honor. A student in their final semester may qualify for the Honor Roll or the Dean's List with fewer than 12 hours.

Grade Reports

Grade reports are available during the term for each course through MCC Online. Final grade reports are available to student in Empower at the end of the semester. Semester grades become a part of the student's permanent record.

Grading System

Grades will be determined by individual professors as outlined in course syllabi. The college uses the following grade points to compute a semester GPA and a cumulative GPA. The cumulative GPA is computed on the basis of all credits attempted at MCC. The only exception is courses that are retaken and are not used in the calculation process.

Letter Grade	Suggested Numerical Value	Quality Points
A	93-100	4.0
A-	90-92	3.7
B+	87-89	3.3
В	83-86	3.0
B-	80-82	2.7
C+	77-79	2.3
C	73-76	2.0
C-	70-72	1.7
D+	67-69	1.3
D	63-66	1.0
D-	60-62	0.7
F	59 or below	0.0

- A signifies work of distinctly superior quality. Recitations and examinations indicate mastery of the course content and competent correlation of facts and principles. This grade should be given only when the student demonstrates scholar hip, initiative, a positive attitude, and cooperation in the class.
- B Is assigned for work of above average quality. The student is interested, thorough in preparation and fulfillment of assignments, and observes directions regarding form, organization, and quality of content in written work. Recitations and tests give evidence of mastery of course content and of the ability to express oneself clearly. This grade should not be given when the essential work of the course is missing or done in a careless fashion.
- C indicates work of satisfactory character. The student is able to understand the basic elements of the course. Assignments are prepared promptly and are written in correct English. A grade of C should indicate the capability of the student to continue to the next advanced course in the field.
- D indicates that while the work for the course is not adequate for mastery of the content of the course, it is passing. A grade of D may be given when assignments are not completed and individual comprehension or improvement in the field is not evident.
- +/- Plus (+) indicates achievement in the upper third of a rank/grade. These (+/-) apply only to the grades A through D. Minus (-) indicates achievement in the lower third of a rank/grade. These (+/-) apply only to the grades A through D.
- F indicates failure to comply with course requirements or a definite inability to comprehend the basic elements of the course.
- W indicates withdrawal without assignment of a grade.
- CR indicates credit for a course for which only credit rather than a letter grade is given on the transcript.
- NC indicates no credit for a course for which only credit rather than a letter grade is given on the transcript.
- AU indicates credit for an audit course when there is at least 80% attendance.
- I indicates an incomplete which is given only when extenuating circumstances prevent completion of work during the semester.

Incomplete Grade Policy

An incomplete grade must be requested of the instructor by the student and will be granted only if the extenuating circumstances are sufficient to have made it impossible for the work to have been done before the end of the course. A request for an incomplete must be made prior to the last class period. Any conditions for receiving an incomplete grade and completing the course are set by the instructor and agreed upon in writing by the student at the time the incomplete is granted. A deadline for completing the course may not exceed 30 days after the course end date.

To give a student an incomplete grade in a course, an instructor completes an incomplete grade form and submits it to the Registrar. When the student has completed the work the professor then submits a final grade. After the deadline for completing has passed, any incomplete not replaced by a final grade submitted by the instructor will be administratively converted to the grade of "F" by the Registrar's Office. Courses that are considered credit/no credit will receive a grade of "NC" if the deadline has passed for completion of the incomplete agreement and a final grade of "CR" has not been submitted. Courses with a grade of "I" will not be used in calculating a student's GPA.

Retake Policy

A student may repeat enrollment in a course because of a low or failing grade. Retakes can be accomplished only by re-enrolling in and completing a MCC course. If a course is retaken, the original course and grade line is marked as "retaken" on the transcript and removed from the grade point average as long as the most recent course grade is equal to or higher than the previous grade. The higher grade will be used in the grade point average computation.

Although there is no limit to the number of times a course may be retaken, a student may retake a course with subsequent removal of the prior grade from calculation of the grade point average only once for each course. A total of five courses may be considered as retaken for grade point average purposes during the student's academic career at MCC. Any grades obtained from retaking courses beyond these limitations will be used in calculating the grade point average. A retaken course will count only once toward meeting degree requirements. Additionally, any course retaken after completion of a bachelor's degree will not affect the credits or the grade point average applied to that degree.

Other Policies

Christian Service

The MCC philosophy of Christian service is based on the idea that both academic preparation and practical service activities are valuable in the college experience. Christian colleges have recognized and practiced this philosophy since Bible college accreditation began. A total of seven semesters of Christian Service is required for graduation in the traditional bachelor degree programs or a total of three semesters of Christian Service is required for graduation in the traditional associate degree programs. A total of three semesters of Christian Service is required for graduation in the distance education program.

Christian Service is service for the glory of God, but it is also an integral part of the education program. Conversely, academic preparation is first of all directed toward future goals, but it is also presently strengthening the student's daily experiences and present forms of ministry. The idea might well be stated in this way: "Preparation is service and service is preparation."

The Christian Service program is guided by the Christian Service Committee which is represented by faculty, staff, and students. The Christian Service Handbook is available online for all students and defines requirements as well as outlines specific areas of service that are approved for this requirement.

Students enrolled in a traditional bachelor's degree must receive credit for a Christian Service every semester they attend MCC minus 1 (CHR 101 - 107).

A student enrolled in an associate's degree or the Thunder Online (distance education) program must complete three Christian service credits (CHR 101 - CHR 103).

Semester commitment and evaluation forms are kept on file and are subject to committee review before degrees are granted.

Final Examination Schedule

All students are expected to take final examinations at the time scheduled. Only in cases of extreme emergency will published examination schedules be broken. Personal plans for after-school activities, including weddings, do not constitute emergencies. In case of emergency, the student should clear absences with the professors involved. At the option of the professor, a student's final examination may be waived on the basis of exemplary grades, attendance, and participation. The availability of this alternative and its conditions are to be specified in the course syllabus. This option is a matter of professorial discretion and is not a prerogative of the student.

Student Records Policy

To protect the privacy of student records and to comply with federal law, MCC has implemented a policy regarding student records. This policy seeks to ensure adequate protection of student records while providing the necessary data for the institution and the community to conduct appropriate pursuits. The college will protect the confidentiality of student records and ensure they remain out of the hands of those who would use it for other than legitimate purposes. All members of the faculty, administration, and clerical staff will respect confidential information they encounter in the work place.

Definitions

Student is defined as one who has attended or is attending Manhattan Christian College.

Educational records are records directly related to a student and maintained by MCC. These records do not include files kept in sole possession by individuals and used as a memory aid and are not accessible to any other person except a substitute for the maker of the record.

Directory information is defined in the catalog and is: a student's name, local address and phone number, permanent mailing address, e-mail address, classification, degree program, dates of attendance, admission or enrollment status, degrees and awards received, date of birth, and hometown.

Confidential information is the remainder of the student record that is not defined as "directory information."

Record means any information or data recorded by any employee in any medium, including, but not limited to: handwriting, print, tape, film, microfilm, microfiche, or any form of electronic data storage including e-mail.

Release of Directory Information

The Registrar's Office releases directory information to anyone upon inquiry. A student may request the college to withhold directory information by submitting a request for non-disclosure to the Registrar's Office. Students must request a non-disclosure of directory information form from the Registrar's Office within one week after registering for classes. The Registrar's Office will notify other appropriate college offices regarding the student's request. The student must submit the request to withhold directory information each semester of enrollment.

Release of Confidential Information

Each type of student record is the responsibility of a designated college official, and only that person or the vice president to whom that person reports has authority to release the record:

- Academic records: Registrar
- Admissions records: Vice President for Student Life
- Financial Aid: Director of Financial Aid
- Business records: Vice President for Business Affairs
- Alumni/Donor records: Director for Institutional Advancement
- 1. Confidential records will not be released without the written consent of the student involved, except in following instances: (a) to other college personnel, (b) concerning the student's application for financial aid, (c) in response to a judicial order or subpoena, (d) in a bona fide health or safety emergency, (e) to other schools at which the student seeks or intends to enroll, (f) to parents of a dependent student, or (g) to the U.S. Commissioner of Education, the Director of the National Institute of Education, the Assistant Secretary for Education, or state educational authorities.
- 2. Each student is entitled to a copy of their academic transcript upon written request.
- 3. Documents submitted in support of a student's application for admission or for transfer credit will not be returned to the student nor sent elsewhere. The student should request another document from the original institution.
- 4. Faculty and administrative officers of MCC may review the academic records of any student by showing a need to know before an academic record is released.
- 5. The contents of the official folder of a student will not be sent outside the office of the Registrar or other record offices except in circumstances specifically authorized by the Registrar or the custodian of the other records.
- 6. A request for a transcript or other academic information from another institution of learning, which states the reason for the request, may be honored as a matter of institutional courtesy.
- 7. Requests from research organizations making statistical studies may be honored without prior approval of the student provided no information revealing the student's identity is to be published. The Registrar will decide validity of the study as it applies to education and the privacy rights of students.

When Records May Be Withheld

Transcripts and future enrollment at MCC will be withheld due to delinquent accounts or official disciplinary action. Removal of the hold only occurs when the Registrar's Office receives written authorization from the official who originally requested the action.

Review and Challenge of Records

Students have the right to inspect their academic records and are entitled to an explanation of any information recorded on it. A student must submit a written request to the Registrar's Office to gain approval for the inspection. The student must conduct the examination of the academic record in the Registrar's Office.

A student has the opportunity to challenge or amend the contents of an academic record. Challenges must be made in writing to the Vice President for Academic Affairs. Written challenges must identify the record in question and provide a brief explanation of the reason for faulting the record. The Vice President for Academic Affairs will decide within 30 days of receiving the written challenge the validity of the challenge and notify the student of the decision. Changes to or comments about the academic record will only be made upon the approval of the Vice President for Academic Affairs.

A hearing may be requested if the student is still dissatisfied. The hearing, conducted by a hearing officer appointed by the president, will be held within two weeks. The student will have the opportunity at the hearing to present any relevant evidence. A decision will be rendered within two weeks after that hearing. The student may place a statement in the file if the result does not satisfy the complainant.

Complaints

A student who believes that the college has not complied with federal law or regulations may send a written complaint to: The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, D.C. 20202-8520.

Frequently asked questions

What is MCC's policy on the copying of transcripts from other institutions?

Transcripts from other institutions along with other documents in a student's file are the property of Manhattan Christian College, and, as such are under the control of the Registrar's Office. Under Federal policy, the student has the right to view the documents in their file; the college is not required to provide or allow the making of copies of these documents. Transcripts submitted to MCC for admission or transfer of credit become the property of MCC, and cannot be returned to the student or forwarded to other institutions.

Why do MCC and most other colleges and universities have a policy that does not provide for the making of copies of transcripts from other institutions?

- 1. Transcripts are a reflection of a student's record at an institution at a particular point in time (like a snapshot). The transcript may have been added to or changed by the issuing institution after MCC received its copy and consequently may not reflect the student's most current record.
- 2. Transcripts reflecting a current, complete, accurate and official record of a student's academic work are made available by the transcripting institution. MCC is concerned that those receiving and using the transcript work are from official and current documents, not copies.
- 3. MCC has no way of knowing whether a student wishes to use a copy of a transcript from another institution (with an incomplete record) to avoid having others see grades or other information which may be considered by the student to be negative (e.g. low grades, records of disciplinary actions). In other cases, students may have an account balance at the issuing institution, and may therefore be prevented from obtaining an official transcript until such obligations are met. As a professional courtesy, MCC honors the desire of the issuing institution to have official records obtained directly from that institution.

How can students get a copy of their records from other institutions?

Transcripts are ordered online through the National Student Clearinghouse (NSC) using any credit/debit card. Fees vary; you can visit the college's website or NSC's website for more information.

How can a one request a change on their college record, such as a name change?

The official college records for all students (current, former and alumni) is under the control of the Registrar's Office. To change a name or address you can access the College Records Information Change form by contacting the Registrar's Office or online at: http://www.mccks.edu/academics.

Interdisciplinary Academic Program Air Force Reserve Officer Training Corps (AFROTC) at Kansas State University

Air Force ROTC – Det 270 (KSU) AFROTC Detachment 270 1304 N. 17th Street, Room 108 Manhattan, KS 66506-2101 (785)532-6600 | afrotc@ksu.edu

Cross Town Agreements: Students from Manhattan Christian College, Washburn University, and Barton County Community College-Fort Riley Campus may currently attend Kansas State University for Air Force ROTC (AFROTC) classes while simultaneously working towards their degree from these other schools. They will be enrolled in the AFROTC classes as non-degree seeking students at K-State.

General Information: The Air Force Reserve Officer Training Corps provides the best means for undergraduate students to become officers in the United States Air Force. Upon completion of the university program, students are commissioned second lieutenants, and then enter active duty in one of the four rated flying positions, or a technical or nontechnical career field; are deferred for graduate study, to enter active service after degree completion; or enter into Air Force-sponsored graduate study at full pay while serving as Air Force officers.

Any undergraduate student with at least three years left in their degree program who is a U.S. citizen may apply to become a cadet by enrolling in AERO 110 and AERO 099 at Kansas State University. The duration of the program is typically four years but can be condensed into two years or expanded to five years, depending upon an applicant's previous experience and the availability of different options.

Scholarships: Full-time students who qualify to become Air Force officers, with three or more years left for degree completion (including graduate study), are eligible to apply for scholarships. If selected, students will have their tuition, fees, and a book allowance paid for by the U.S. Air Force; they will also receive a \$300 to \$500 monthly stipend while in school. All payments are tax free.

High school students considering the four-year Air Force High School Scholarship Program must be highly motivated toward becoming Air Force officers. To qualify, students should be above-average scholars, be physically capable, possess leadership potential, and apply before January of their senior year of High School. Financial benefits are the same as the undergraduate scholarships mentioned earlier. Applicants should contact their high school counselor or an AFROTC officer for applications and further information. Visit the KSU AFROTC website or AFROTC.com for more details.

Four-year program

Basic course: Students electing the four-year program normally will begin with the General Military Course (GMC) during the freshman or sophomore year. This program consists of four semesters of 1 credit hour each and enrollment in the Air Force ROTC Leadership Lab. Aerospace Studies GMC courses are open to all students at the university without obligation to military service. Students in the GMC are provided uniforms, texts, and other equipment needed for their AFROTC courses.

Advanced course: The Professional Officer Course (POC) is the upperclass program and consists of four courses of 3 credit hours each, over a period of four semesters. All cadets in the POC become members of the Air Force Reserve and receive \$450 to \$500 a month and all necessary AFROTC texts and equipment. Upon completion of the POC and their degree requirements, students are commissioned as second lieutenants in the United States Air Force.

Field training: Cadets practice their leadership and management skills in a cadet group. Cadets who are in the four-year program attend 13 days of field training at an Air Force base during the summer prior to entering the POC. During training, cadets are paid and receive travel pay to and from the training base.

Extracurricular activities: Students enrolled in Air Force ROTC may participate in many activities including detachment-sponsored events and social functions. Cadets pursuing officers' commissions are eligible for membership in the Arnold Air Society, a national honorary professional and service organization established to foster good relations among Air Force ROTC, the Air Force, the campus, and the local community. Participation in the Arnold Air Society is voluntary. Students are also eligible to participate in Honor Guard, a team that presents the colors at University and local community events.

Aerospace Studies Minor: Cadets who finish the AFROTC program at Kansas State University can earn an Aerospace Studies minor.

COURSES

AERO 099 (KSU) - Aerospace Studies Lab (0 Credit Hours (CH))

The leadership laboratory for aerospace studies. Students will receive leadership training and experience as well as training in Air Force customs and courtesies. This course runs concurrently with AERO 100, 200, 300, and 400 level classes; is required for all cadets; and includes mandatory physical fitness training.

AERO 110 (KSU) - Aerospace Studies 1A (Fall Only, 1 CH)

Provides an introduction to the Air Force (AF) by examining general aspects of the Department of the AF, AF Leadership, AF benefits and opportunities for AF Officers. This course lays the foundation for Airman by outlining our heritage and values through topics such as: customs and courtesies, AF standards, formation of the AF and building officer communication skills.

AERO 111 (KSU) - Aerospace Studies 1B (Spring Only, 1 CH)

Builds on AERO 110 and the introduction to the Air Force (AF) by examining general aspects of the Department of the AF, AF Leadership, AF benefits and opportunities for AF Officers. This course continues to lay the foundation for Airman by outlining our heritage and values through lessons such as: war and the US military, AF operations, principles of war and airpower.

AERO 210 (KSU) - Aerospace Studies 2A (Fall Only, 1 CH)

Provides a fundamental understanding of both leadership and team building. Covers subjects such as self-assessment, listening, followership, problem solving, motivation, and standards and accountability.

AERO 211 (KSU) - Aerospace Studies 2B (Spring Only, 1 CH)

Builds on the fundamental understanding of both leadership and team building started in AERO 210. Covers subjects such as building teams, human relations, conflict management, feedback, and ethical decision making.

AERO 215 (KSU) - AFROTC Summer Program (Summer Only, 4 CH)

Provides cadets with a 13-day program designed to evaluate military leadership and discipline, determine potential for entry into the Professional Officer Course (POC), and provide stratification amongst their peers.

AERO 310 (KSU) - Officer Leadership Studies 3A (Fall Only, 3 CH)

A study of USAF professionalism, leadership, and management includes the meaning of professionalism, professional responsibilities, leadership theory, functions and practices, management principles and functions, problem solving, and management tools, practices, and controls.

AERO 311 (KSU) - Officer Leadership Studies 3B (Spring Only, 3 CH)

Continuation of AERO 310.

AERO 410 (KSU) - Regional Studies and Defense Policy (Fall Only, 3CH)

This course will examine the role of the professional officer in a democratic society; socialization processes within the armed services; the requisites for maintaining adequate national security forces; political, economic, social constraints upon the overall defense policy-making process, and the global environment that the military exists within.

AERO 411 (KSU) - Aerospace Studies/Civil Military Relationships (Spring Only, 3 CH)

Focuses on the complex environment of rules and regulations that an Air Force officer lives within. Examines how a new military officer functions both as a leader and as an Air Force member. Communicative skills are stressed.

Academic Programs Non-Traditional Campus/Thunder Online Distance Education Department

Department Head: Deborah Kohl

Manhattan Christian College has made a commitment to global ministry leadership training. MCC's distance education courses are designed to provide busy adults the opportunity and flexibility to pursue the same regionally accredited biblical education that our on-campus students experience. The program is designed to enhance your current ministries and careers and put you on the road toward completion of a bachelor degree in Biblical Leadership or our popular Management and Ethics degree. Each course meets for eight weeks and earns three semester hours of credit.

Online students may take any two of the distance education courses during each 8-week term, and there are two 8-week terms per semester. Generally, students spend an average of 12-15 hours per week on each class. This may vary depending upon how quickly you read and complete your assignments.

Mission

The Distance Learning Department exists to educate, equip, and enrich Christian leaders in any location, at any time to become more effective leaders in their churches and communities.

Objectives

Upon completing the course of study in biblical leadership, a student will:

- 1. Demonstrate a general knowledge and understanding of the Christian canon and theological concepts
- 2. Demonstrate an integration of their studies into leadership ministry
- 3. Understand the basic principles of leadership in a healthy, growing church
- 4. Perform the basic exegesis necessary for preaching, teaching, and Bible study
- 5. Demonstrate a basic level of expertise of the skills necessary to perform practical ministry in the local church
- 6. Have a basic understanding of the history of the church and the Stone-Campbell movement

Requirements to Enter Degree Completion Program

Degree completion students must have completed 40 or more credits from accredited colleges, post-secondary institutions, or military service (credit for prior learning cannot be included as part of the 40). Students may be granted provisional admittance depending on individual circumstances. These credits will be applied to the required 72 hours of course credits in two categories: general education (42 hours) and unrestricted electives (30 hours).

Technology, Time Management, and Netiquette

Students enrolled in the distance education program are responsible to ensure that they have the necessary technology (hardware and software) and adequate Internet access to complete the course(s). MCC uses the learning management system MCC Online. MCC Online is a course-management system designed to deliver an interactive web-based classroom to students. MCC Online extends and enhances course instruction, enabling students with time and geographic restrictions to take advantage of the flexibility of learning over the Internet.

MCC's Distance Learning department prefers Microsoft Office as the primary software used for online

coursework. The minimum recommendation for students is that they have Office 2013 – Home and Student Edition (Word, Excel, and PowerPoint) or Office 365 – Home Premium (Word, Excel, PowerPoint, Access, Publisher, and more). E-mail software (e.g. Outlook) is not required because it is required that student use the college web-based e-mail (MCC E-mail).

Netiquette for E-mail, Chat, and the Discussion Boards

It is hard for someone reading your communication to know your tone of voice and impossible for someone to read your body language or your facial expressions. These are all very important when we speak to someone. Netiquette is the way you express yourself when you are writing an e-mail, in a chat with classmates, or posting on a discussion board. Here you will find tips on how to express yourself.

- Try to avoid ALL CAPS. IT GIVES THE IMPRESSION THAT YOU ARE SHOUTING!
- Acknowledge what someone else has said before posing a different viewpoint. If you disagree with someone, it is a good idea to start a message by briefly re-stating in your own words, what the other person said. This lets the other person know that you are trying to understand them.
- When presenting a controversial point of view, identify whose view it is. For example, "in my experience...." Or "according to the author...".
- If you feel the need to send an angry message, take a break. If you write out the message, don't send it immediately. Save it and look at it later. You may want to tone it down after you have re-read it.
- It is a good idea to check your spelling if you are posting to a discussion board before posting. It will be the first impression you make on someone.
- Remember that whatever you post to a news group or bulletin board is public and may be copied and sent to others.
- When you post or e-mail someone with a question, make it as easy as possible for them to help you. Make your questions as clear and specific as possible, and provide as much information as possible.
- Keep your communications to the point. Some people pay for Internet access by the hour. The longer it takes to read your messages, the more it may cost them.

Be careful not to post unrelated comments or advertisements to your groups. This practice is known as **spamming** and will quickly lead to another unpleasant Internet practice, **flaming**. Sometimes you might offend someone unintentionally. Be prepared to receive some angry e-mail or be treated rudely by others in the group. This is called being **flamed**. If you attack back, you will spark a **flame war**. The best response usually is no response at all. You must be careful not to read into a message something that is not there and not to make judgments about where someone is coming from.

Tips for Participating on a Discussion Board

Log on to your course discussion board every day or a minimum of 5 days a week.

- Think ideas through before responding. You do not want to response to come across as flaming. It often helps to outline responses before responding. Be polite and respectful.
- It is often a good idea to write your response in Word (or other word processor) so that you can easily edit your response, then copy-n-paste your response to the message board.
- Use good communication skills. Keep your comments concise, but do meet the requirements posted for discussion by the instructor. Avoid brief affirmations such as "Amen", "Ditto", and "I agree." Do not quote or copy long passages form a previous post. Quote only the relevant portions to make your response clear.
- Pay careful attention to instructions. Be sensitive with your use of language.
- Use subject lines in your post to keep the flow going for a certain discussion item. Be sure to change the subject line if you are changing the direction of the discussion.
- Try to stay on track and respond directly to comments being made.

E-Mail

All students enrolled in MCC's distance education programs must have a MCC e-mail account. The college's policy is that e-mail is the primary means of communication with students. Communication from faculty and all college departments will be primarily through the use of e-mail. MCC e-mail accounts are assigned when students enroll in the college. Questions can be directed to the MCC Information Technology department.

Christian Service

Students are required to be involved in their communities and churches each semester. Practical service activities enhance the college experience because students apply what they learn in the classroom in service to others. A variety of service activities can satisfy this requirement. See 'Christian Service' in the Academic Information section of the current catalog for more information.

Credit by Non-Classroom Contact

Students may earn up to 30% (or 36) of the credit hours required for completion of the degree through non-classroom contact (e.g. credit-by-examination, credit for prior learning (CPL), military or job training, etc.). A maximum of 30 of the possible 36 semester credit hours may be by CPL. CPL credit is only awarded after a student enrolls and completes ORN 020, Introduction to Credit for Prior Learning. A per-credit-hour fee will be charged for credit granted. See 'Credit for Prior Learning' in the Academic Information section of the catalog for more information.

Attendance

Students taking online courses are required to be active in the course each week of the course through various activities and assessments as assigned by the course instructor (e.g. message board posting, quizzes, or other activities). Simply logging-into the course does not make one "active," an activity or assignment must be completed.

A student not active in (or attending) the course by Wednesday of the first week is subject to being administratively dropped from the course unless prior arrangements have been made with the instructor. All course work must be completed by the end of the eighth week.

Distance Education Course Policy/Procedures

Students are responsible for their own enrollment maintenance. The policy and procedure can be found in the Academic Information section of this catalog.

MCC Distance Education Course Refund Policy

This policy applies to all online courses that MCC currently offers. The typical MCC Online course duration is 8 weeks, and each week is defined as Monday through Sunday. The course refund policy is found in the Financial Information section of this catalog.

Students must request and complete the necessary paperwork to drop (or change status) for a course prior 5:00pm, Central time of the deadline. There are no refunds after the second week of any 8-week course. Students must be aware that total withdrawal during the semester may have an impact on the financial aid received by the student. Contact the Financial Aid office for details.

More information regarding MCC's Distance program and courses is located on the MCC website: www.mccks.edu/academics/online-degrees

Leadership Studies

The Leadership Studies Core, in the non-traditional campus curriculum, provides intentionality in fulfilling the institution's mission of "educating, equipping, and enriching Christian leaders." Four courses focus on different aspects of leadership for Christians to be used in both church and the workplace. All non-traditional campus students are required to complete this 12-hour core as a part of their graduation requirements.

Mission

The Leadership Studies Core exists to educate, equip, and enrich Christians to be leaders.

Objectives

Students completing the requirements in Leadership Studies will:

- 1. Understand basic leadership theory in a variety of areas including, but not limited to, vision, admiration, delegation, and confrontation resolution.
- 2. Understand and use the Bible as the foundation for leadership theory and practice.
- 3. Understand and effectively engage group dynamics.
- 4. Demonstrate skills in instruction.
- 5. Demonstrate competencies in performing administrative tasks.
- 6. Identify his/her own personal level of leadership giftedness.
- 7. Serve in a variety of contexts (Christian Service).

Academic Programs Traditional Campus Bible/Theology Department

Department Head: Dr. Dave Henry

Mission

The Bible-Theology Department exists to educate, equip, and enrich Christians to be leaders through biblical and theological studies that are foundational.

Objectives

Students completing the requirements in Bible-Theology will:

- 1. Articulate the overarching narrative of Scripture centered on Jesus that spans both Old and New Testaments.
- 2. Develop the tools and abilities to interpret both Old Testament books and New Testament books in their historical, literary, and theological contexts.
- 3. Articulate Christian doctrines within the framework of Christian Scripture and with Christian charity.
- 4. Articulate God's continuing mission in the world through the church in a way that is continuous with God's saving work in both Old and New Testaments.
- 5. Couple sound theological and biblical knowledge with an ever-deepening transformation into Christlikeness.

Academic Programs Traditional Campus Dual Degree Studies

The dual degree program is minimally a five-year course of study in which a student earns a bachelor degree from Manhattan Christian College and a bachelor degree from Kansas State University or an associate degree or certificate from Manhattan Area Technical College upon confirmation of the completion of all requirements at both institutions. Students in this program are equipped through MCC with a biblical foundation that will enable them to penetrate the world with the gospel of Jesus Christ. Students in this program are also equipped through KSU or MATC with a vocation that will enable them to go anywhere in the world and, as they do, to be Christian leaders both in the church and in their chosen profession.

Mission

The Dual Degree Studies Program exists to educate, equip, and enrich Christians to be leaders regardless of chosen profession, both in the workplace and the church.

Objectives

Students completing the requirements in Dual Degree will:

- 1. Develop skills in a chosen profession in which a Christian influence can be demonstrated.
- 2. Appreciate the opportunity to use Christian leadership skills both in the church and in any chosen profession.

Total Hours: 150-160

Academic Programs Traditional Campus General Studies Department

Department Head: Dr. Brian Medaris

Mission

The General Studies Department exists to educate, equip, and enrich Christians to be leaders through foundational studies that prepare students to read, study, and think critically.

Objectives

Students completing the requirements in General Studies will:

- 1. Articulate in writing and speaking their own ideas about issues and arguments in written and oral discourse that demonstrate efficient use of grammar, mechanics, and style in a manner appropriate to the audience.
- 2. Recognize movements, theories, people, and works that have historically shaped Western culture in general and the Christian church in particular.
- 3. Demonstrate an understanding of the major concepts of the behavioral and social sciences.
- 4. Solve problems through logical reasoning and scientific method.
- 5. Demonstrate an integration of their studies into a Christian worldview.
- 6. Recognize the value of lifelong learning.
- 7. Demonstrate the ability to select and use the most appropriate technological tools and understand technology's impact on self and society.

Library/Learning Resources

Director of Library Services: Caleb May

The library is located on the 3rd and 2nd floor of Jolliffe Hall. In its current location the library is ADA (Americans with Disabilities Act) compliant. The staff uses the Library of Congress classification system. The library contains over 30,000 volumes and over 3,000 bound and unbound journals. The EOSWeb Express automation system provides public access, computerized card catalog, and circulation control. In addition, patrons have access to several on-line databases, interlibrary loan, the OCLC database, reference assistance, computer access, CD-Roms, and a photocopier/scanner. Through a formal cooperative agreement with Kansas State University, MCC students, faculty, and staff enjoy full access to the KSU Hale Library system, while KSU faculty, staff and students also have access to MCC's library. The Learning Resources Committee assists the director of library services. The committee consists of faculty and student representation and is chaired by the library director. Through monthly meetings the committee provides oversight of various aspects of library operations. The committee functions as an advisory and steering committee to the library director. It provides evaluative decision-making to assist in setting policy for major improvements within the library, assigns portions of the library acquisitions monies to appropriate faculty for purchases in their curricular area, and entertains requests for special purchases for the library and its patrons.

Mission

The mission of the Manhattan Christian College Library is to provide the services and resources necessary to help educate, equip, and enrich the students, faculty, administration, and staff of Manhattan Christian College, as well as to the surrounding local community. This mission is primarily centered on the instructional tasks of the college, focusing on the curricular support of the students and teaching faculty of the college. The library's mission includes providing the following:

- Materials (print and non-print media) to support the curriculum of the college.
- Materials (print and non-print media) to help support faculty research.
- · Staff assistance
- Library orientation
- Research Instruction

In addition, it supports personal growth, providing a place and media for non-technical and recreational reading and other activities, as appropriate and feasible.

Vision

The library seeks to provide instructional support and learning resources by combining elements of a traditional "liberal arts" education with professional and pre-professional training for various aspects of ministry for students, staff, faculty, administration, and the community.

Objectives

To achieve its vision and mission, the library will:

- 1. Seek budget increases to a percentage which reflects the ideal of the ABHE's recommended level of 6% of "G & E" expenditures of the college.
- 2. Seek augmented budgetary funding for the library through various sources of revenue including (a) a library use fee, (b) memorial gifts, (c) application for funding from grant proposals.
- 3. Seek to provide onsite and remote access to materials needed to support the curriculum and faculty research.
- 4. Provide library orientation and instructional assistance to all patrons.
- 5. Seek to enhance resource sharing services by providing access to additional materials supporting the curriculum and faculty research.

- 6. Seek to acquire and maintain the necessary equipment and technology to support developing programs.
- 7. Seek to acquire and regularly update computer hardware and software necessary to access and display electronic information resources.
- 8. Enhance the current systems by acquiring an automated, integrated library system for cataloging, public access, and circulation services.

Intellectual Freedom and Censorship

The library is committed to the free exchange of ideas. To meet the curricular needs of the college, materials will be purchased to reflect a wide variety of viewpoints and modes of expression, even those of a controversial nature. No materials shall be excluded from the collection because of the race or nationality of the authors, or the political, moral, or religious views expressed therein.

2021-2022

Course Descriptions

In order to provide clarity for both faculty, students and inquirers regarding the academic course offerings at Manhattan Christian College, a set of general guidelines have been established to use in determining the area of discipline, course structure, organization, and degree of difficulty or sophistication. The letters in the prefix relates to the area of discipline that course represents. The academic discipline areas at MCC are:

BIB	Bible	HPW	Health and Physical	PAS	Pastoral
CED	Christian Education	Wellne	ess	PHL	Philosophy
CHR	Christian Service	ICS	Intercultural Studies	PSY	Psychology and Counseling
CHP	Chaplaincy	LAN	Languages	SAN	Sociology and
CIS/C	C Computing and	LIT	Literature	Anthro	ppology
Inform	ation Systems	LSP	Leadership	SCI	Science
COM	Communications	MAN	Management	SFM	Spiritual Formation
ECN	Economics	MAT	Math	SJU	Social Justice
FST	Family Studies	MIN	Ministry	STA	Statistics
HIS	History	MUS	Music	THE	Theology
HOM	Homiletics	ORN	Orientation	WOR	Worship
				YMN	Youth Ministry

The first number in the sequence designates the course level. The courses at MCC are developed based on the following guidelines:

Lower Division Courses are offered at the 100- and 200- levels while having the following characteristics:

- Lower division courses generally do not have college-level prerequisites unless there are courses taken in sequence such as Written Composition I and Written Composition II.
- Lower division courses usually are not limited to students majoring in the discipline in which the course is listed.
- Lower division courses primarily are introductory, survey, or basic concept oriented courses.
- Upper division courses (300 400 levels) generally require substantial college-level preparation and/or prerequisites on the part of the student.
- Upper division courses usually are more specialized courses taken within the student's major field of study or emphasis.
- Upper division courses often provide a capstone experience.

Course Level Descriptions reflect levels of learning. In order to provide those descriptions, the principles of Bloom's Taxonomy are used as a basis. The following chart provides working guideline descriptions for each course level.

Level	Description	Bloom's Taxonomy
100	Initial immersion in the academic discipline without expectation of previous exposure at the college level	Knowledge and Comprehension
200	Secondary immersion in the academic discipline to provide more familiarity within that study	Knowledge and Comprehension, and Application
300	Deepened immersion with special attention to the application and analysis within the specific discipline	Knowledge and Comprehension, Application, and Analysis
400	Evaluation experience providing synthesis with the discipline through inquiry and methodology	Knowledge and Comprehension, Application, Analysis, Synthesis, and Evaluation

Assessment Language based on Bloom's Taxonomy and these levels of learning should use the following

terminology:

Knowledge	Comprehension	Application	Analysis	Synthesis	Evaluation
List	Summarize	Solve	Analyze	Design	Evaluate
Name	Explain	Illustrate	Organize	Hypothesize	Choose
Identify	Interpret	Calculate	Deduce	Support	Estimate
Show	Describe	Use	Contrast	Schematize	Judge
Define	Compare	Interpret	Compare	Write	Defend
Recognize	Paraphrase	Relate	Distinguish	Report	Criticize
Recall	Differentiate	Manipulate	Discuss	Justify	
State	Demonstrate	Apply	Plan		
Visualize	Classify	Modify	Devise		

The second number in the sequence is a descriptor of the category within the discipline as designated in the prefix. For example, the "1" designates sociology and "2" designates anthropology in the SAN discipline.

The third number in the sequence describes whether the course is a foundational standalone course which is designated with a "0" or a group of courses that are in sequence which is designated in numerical order.

The MCC academic calendar is based on semesters. Prerequisites may be waived by the instructor when a student has shown readiness. Courses and their descriptions, including frequency of the course offering, may change, be added or be deleted. A line schedule showing all courses, including a required textbook list, offered for a specific semester is published prior to preregistration for that semester. Courses with insufficient preregistration or registration may be canceled.

This course is a survey of the poetic and prophetic literature of the Old Testament from Job to Malachi.

Recommended: BIB 113

BIB 211 Life and Teachings of Jesus

3 hours

This course is a study of the life of Christ based on a selected gospel.

BIB 212 Christian Beginnings

3 hours

This course is a study of the history of the beginning of the church primarily focusing on the ministry of Paul and his writings plus the writings of others to those early Christians.

BIB 220 Interpretation

3 hours

This course is an introduction to the interpretation of scripture introducing students to principles of interpretation and exegetical methods and tools with special focus given to understanding principles of interpreting different forms of scriptural literature.

BIB 330 Advanced Interpretation

3 hours

This course focuses on the church's historical commitment to encounter and be transformed by Jesus Christ through the reading of Scripture. This course has four main movements: (1) it locates our own exegetical methodologies historically; (2) it focuses on a responsible, Christocentric reading of the Old Testament; (3) it engages in reading practices designed for personal transformation; (4) it considers ways we might faithfully live out Scripture as a church body.

Prerequisite: BIB 220

BIB 334 Epistles: The Prison Epistles

3 hours

This course is an exegetical study and exposition of Ephesians, Philippians, Colossians, and Philemon.

COMPUTING AND INFORMATION SYSTEMS (CIS/CC)

CIS 110 Introduction to Personal Computing

3 hours

This course is an introduction to the microcomputer including the use of a word processor, spreadsheet, and presentation software.

CIS 120 Introduction to Computing

3 hours

Kansas State Computational Core at MCC. Taught via KSU Global Campus. Listed as CC 110 at KSU. An overview of the history of computers and programming. Famous historical figures and their impact in modern computing. Introduction to major topics in computer science such as artificial intelligence, high performance computing, cryptography, big data, cybersecurity, robotics, and more. Brief experience with computer programming concepts.

This course serves as an introduction to modern computing and programming by reviewing historical figures and events and the impact they had on modern technology. Students are exposed to a variety of topics in computer science, and gain hands-on experience with some of these topics through the use of some basic programming skills. The goal of this course is to show students the wider world of computing and technology beyond programming, building a broad foundation for later courses to build upon.

CIS 210 Fundamental Computer Programming Concepts

4 hours

Kansas State Computational Core at MCC. Taught via KSU Global Campus. Listed as CC 210 at KSU. Basic concepts in developing computer programs: program structure and syntax, primitive data types, variables, control flow, iteration, simple algorithms, debugging, and good software development practices. Introduction to object-oriented programming.

The course introduces students to computer programming using one of several programming languages. Interactive lessons and engaging projects reinforce new skills and concepts while relating programming fundamentals to the real world. This course covers the basic concepts of programming, from variables and control flow to functions, objects, and simple algorithms.

CIS 310 Data Structures & Algorithms I

3 hours

Kansas State Computational Core at MCC. Taught via KSU Global Campus. Listed as CC 310 at KSU. Exploration of simple data structures & related algorithms in computer programming. Basic concepts of complexity analysis. Object-oriented design concepts.

This course introduces simple data structures such as sets, lists, stacks, queues, and maps. Students learn how to create data structures and the algorithms that use them. Students are introduced to algorithm analysis to determine the efficiency of algorithms.

CIS 315 Data Structures & Algorithms 2

3 hours

Kansas State Computational Core at MCC. Taught via KSU Global Campus. Listed as CC 315 at KSU. The course covers more advanced data structures & related algorithms. More focus is placed on formal software development methods and software engineering fundamentals. The course also includes an introduction to requirements analysis processes that provides the specification of algorithmic requirements.

This course introduces advanced data structures, such as trees, graphs, and heaps. Several new algorithms using these data structures are covered. Students also learn software development methods and software engineering fundamentals and use those skills to develop projects of increasing size and scope effectively.

CIS 410 Advanced Programming

3 hours

Kansas State Computational Core at MCC. Taught via KSU Global Campus. Listed as CC 410 at KSU. Advanced programming techniques and projects. Concepts from simulation and modeling, media applications, secure design, information management, parallelism, and networking. Software development methodologies, processes, and design patterns. Practical experience with professional communication and collaboration.

In this course students gain experience writing programs using a variety of advanced programming techniques. Projects cover a variety of application domains and use a variety of technologies to help students master advanced computer programming concepts.

COMMUNICATION (COM)

Glossary

Academic Dismissal: A student who neglects academic responsibilities may be dismissed on recommendation of the academic dean.

Academic Probation: An indication that a student is in academic difficulty which could lead to dismissal from the college.

Advisor: A person, usually a college faculty member, who helps students achieve their educational goals by providing guidance on courses, degree programs, policies and procedures, and internships.

Apply for Admission: The process of submitting written or electronic application and supporting credentials so that an official determination of eligibility to attend the college can be made.

Associate of Ministry Degree: (A.M.) A two year program of study in courses selected from a variety of disciplines with an emphasis in a particular field of ministry.

Audit: After paying an audit fee to attend a course regularly without participating in course work and without receiving academic credit.

Bachelor of Arts Degree: (B.A.) Generally a four year program of study in courses selected from a variety of disciplines with an emphasis in a particular field of ministry. A study of the Greek language, or other modern language, is required.

Bachelor of Science Degree: (B.S.) Generally a four year program of study in courses selected from a variety of disciplines with an emphasis in a particular field of ministry. A study of science and mathematics is required.

Classification: Level of progress towards a degree with classifications of freshman, sophomore, junior, and senior depending upon the number of semester hours completed.

Course: A unit of study a student enrolls in during a semester.

Credit Hour: A unit of measurement used in determining the quantity of work taken. Each credit hour is roughly equivalent to one hour of class time per week. For example, a class meeting three hours a week would be a three credit hour class.

Degree Program: Courses required for completion of a particular degree.

Drop/Add: Changing the student's course schedule by adding and/or dropping a course.

Dual degree: Minimally a five year program of study in which a student earns a bachelor degree from MCC and a bachelor degree from Kansas State University upon confirmation of completion of requirements at both institutions. Note: Recommended MCC degree is B.A. or B.S. in Bible.

Electives: Courses chosen by a student that are not required for a major or minor. The number of elective hours varies in degree programs.

Emphasis: A 12-hour academic program of study in the Christian Ministry major.

Enrollment: The process of selecting courses and arranging a schedule of classes for the semester.

Grade Point Average: (GPA) A measure of scholastic performance. A GPA is obtained by dividing the number of grade points by the hours of work attempted. Only work taken at MCC is used to calculate the GPA.

International Students: Individuals who are not citizens or permanent residents of the United States.

Major: The subject area in which a principal emphasis is placed in an academic program.

New Freshmen: High school graduates with no earned college credits since the summer after high school graduation. Students taking college-level work while in high school are considered new freshmen.

Non-Degree Students: Students not pursuing a degree from MCC. Non-degree students are limited in the number of hours per semester they may enroll in. Other restrictions may apply. Non-degree students do not qualify for financial assistance.

Official Test Scores: ACT, SAT, GED, and TOEFL results that are received directly from the testing service. Personal reports, results marked "student copy" and so on are not official test scores.

Official Transcript: An official copy of a student's permanent academic record. A transcript that is sent directly by mail from the Registrar of a credit-granting institution to MCC is considered official. Transfer credit decisions are only made from official transcripts. Unofficial transcripts, hand-carried documents, and personal grade reports maybe used for admission decisions.

Prerequisite: A requirement, usually credit in another course, which must be met before a particular course can be taken.

Provisional Acceptance: Students who have been admitted to the college under special circumstances. Provisional acceptance is granted for one semester only.

Readmitted Students: Any student who has previously been admitted and attended MCC on any campus at any time since high school graduation.

Registration: The process of enrollment and paying fees.

Special Student: Students who have been admitted on probation.

Track: A 6-hour academic program of study in the Christian Ministry major.

Transfer students: Students who have earned college-level credit after the summer following high school graduation.
