Wednesday, April 8, 2020

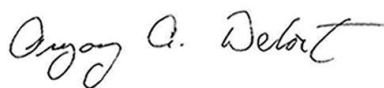

Dear May 2020 Graduate Participants,

With the unique situation going on in the world with the Coronavirus (COVID-19) pandemic, the Administration has decided to postpone the scheduled May 9, 2020 Commencement exercises for Manhattan Christian College. We are deeply saddened to make this decision, nevertheless we know it's the best decision for the health of everyone involved.

While details for the postponement are being decided, please know that your graduation petition results still stand, in regards to having your degree awarded in May. This postponement only affects the Commencement exercise and Graduate Luncheon scheduled for May 9th. It does not affect the conferral, printing and mailing of the diplomas.

The Academic Department will be in touch when details regarding the rescheduling of Commencement are available. Until then, if you have any questions regarding your degree conferral or the postponement of Commencement exercises, please contact Renee at [rmcdaniel@mccks.edu](mailto:rmcdaniel@mccks.edu).

We wish you and yours the best health and safety during this time.
