

MANHATTAN CHRISTIAN COLLEGE

On Campus  Online

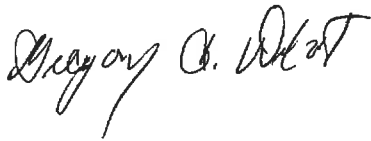

June 19, 2020

Announcement from the Academics Department:

The Administrative Council at Manhattan Christian College has decided to move the start date for Fall 2020 to Monday, August 17. This will synch the MCC start date with Kansas State University's newly announced August 17 start date making academic schedules similar which should be helpful to our dual-degree students. However, MCC will continue the semester after Thanksgiving Break with students returning to campus for the final week of classes, ending on December 4. Finals will take place from December 7-10.

Of course, with the ever changing landscape influenced by COVID-19, we need to be flexible and adaptable should this new schedule need to be modified again during the semester. Please be praying for stability for our school and our students during this unpredictable time.

Blessings,

Dr. Greg A. Delort
Vice President for Academics
